“That in order to re-store public trust and confidence in our hospital service, any proposals to reduce the services currently provided at Grantham Hospital are deferred to allow for a thorough, independent review of hospital services that are required for a town the size and location of Grantham, a town which has been prioritized for development as a ‘Sub-Regional Centre’. Furthermore that the results of this review are the subject of open and honest consultation with all the people served by Grantham Hospital before any decision is made.”
