WORKING STYLE OF SCRUTINY

The Role Of Scrutiny

- To provide a “critical friend” challenge to the Executive as well as external authorities and agencies
- To reflect the voice and concerns of the public and its communities
- Scrutiny Members should take the lead and own the Scrutiny Process on behalf of the public
- Scrutiny should make an impact on the delivery of public services

Remember...

- Scrutiny should be member led
- Any conclusions must be backed up by evidence
- Meetings should adopt an inquisitorial rather than adversarial style of traditional local government committees
