CO26. \*JOINT MUNICIPAL WASTE STRATEGY FOR LINCOLNSHIRE

**Decision: That South Kesteven District Council adopt the Joint Waste Management Strategy for Lincolnshire.**

Considerations/reason for decision:

- (1) Report SS07 submitted by the Portfolio Holder for Healthy Environment.
- (2) The comments made earlier in the year (March Cabinet) during the consultation period.
- (3) The statutory requirement that waste authorities have a joint strategy for the management of waste as provided by the Waste and Emissions Trading Act 2003.
- (4) The adoption of the Joint Waste Management Strategy by all the authorities in Lincolnshire is a critical step in enabling Lincolnshire County Council to be successful in bidding for PFI credits in the procurement of the energy from waste plant.

Other options considered and assessed: - None – the adoption of the strategy is required in order for the Council to comply with its statutory obligation.

**DATE DECISION IS EFFECTIVE:**

**Minute CO26 is a key decision and can be implemented on 10th September 2008 subject to the decision not having been called in.**
