Background

On Friday the 25th of February I received notification from Councillor Hewardine informing me that he had left the Independent Group and joined the New Independent group.

On Monday the 28th February, I received notification from Councillor Genever that he had resigned from the Council with immediate effect.

On Tuesday the 1st March I received notification from Councillor Mrs Woods that she had joined the Independent group.

Implications of these changes

The new composition of the Council following these changes is detailed in Appendix A. In summary the implications of these changes are as follows:

- Councillor Hewerdine can retain his seat on the Community DSP
- Councillor Mrs Woods can retain her seat on the Capacity and Resources DSP
- The New Independents need to make an additional nomination to the Development Control Committee.

Recommendation

That nominations are made to, and approved by, the Council in accordance with the above proposals.

Duncan Kerr,
Chief Executive
