CABINET FORWARD PLAN
Notice of decisions to be made by Cabinet
1 April 2020 to 31 March 2021

At its meetings, the Cabinet may make key decisions and non-key decisions. It may also make recommendations to Council on matters relating to the Council's budget or its policy framework.

A key decision is a Cabinet decision that is likely:

1. To result in the District Council incurring expenditure which is, or the making of savings which are, significant having regard to the District Council's budget for the service or function to which the decision relates; or
2. To be significant in terms of its effects on communities that live or work in an area comprising two or more wards.

A non-key decision is one that is not a key decision.

The Forward Plan

The Cabinet Forward Plan is a rolling, 12-month plan that will be updated on a regular basis. It includes those matters that are scheduled to be considered by Cabinet during the plan period. This plan also includes details of those decisions that are due to be made by the full Council.
