## **1. INTRODUCTION**

The application is for the conversion of an existing Justices' Licence at a public house/hotel and to vary the permitted hours, drinking up time and licensable activities. The application and map are attached at Appendix 1.

The Licensing Act 2003 transfers responsibility for the licensing of public houses from the Magistrates Courts to the local authority.

For a six month period from 7 February 2005, currently licensed business premises are able to convert their existing Justices' Licences into a premises licence. However, if the business wishes to vary any of the existing terms and conditions of their Justices Licence, the applicant needs to follow a set procedure which includes consultation with interested parties, who are able to address the variations that have been applied for. If an interested party makes a representation objecting to a variation to the licence, the matter will be determined by the Alcohol and Entertainment Licensing Committee.

The Premises Licence, once granted, lies dormant until the second appointed day, 24 November 2005, at which time the licence becomes operative and the Justices' Licence is no longer valid.

The Baskervilles public house currently holds a Justice's Licence for retail sale of alcohol on and off the premises and a Public Entertainment Licence for the provision of public dancing or music or any other entertainment of a like kind. Drinking up time is currently 20 minutes. They have applied for a variation in operating hours, an additional 10 minutes drinking up time and additional licensable activities. In addition the applicant wishes to remove all embedded restrictions inherent in the Licensing Act 1964 and the Cinematograph (Safety) Regulations 1955, and some of the conditions on the Public Entertainment Licence.

There were five representations from interested parties and one from the Police, as a responsible authority. The representations from the interested parties relate to the advert itself, the lack of notice displayed on the premises, together with the potential nuisance arising from noise from the premises and patrons leaving. The representations from Police relate to the premises' occupancy figure and the potential risk of overcrowding in the premises. These are attached as Appendix 2.

## **2. RECOMMENDATIONS**

That the Committee determines, with regard to the licensing objectives, the application concerning the variations that have been requested.

Outside drinking will end at 23:00 hours.

Drinking up time: an additional 10 minutes, to allow 30 minutes drinking up time, after the last permitted sale of alcohol.

Further, the applicant proposes to increase the maximum occupancy figure of the premises from 200 to 300. See section Q (c) Public Safety of Licensing objectives.

The applicant wishes to remove all embedded restrictions inherent in the Licensing Act 1964 and the Cinematograph (Safety) Regulations 1955, and the conditions on the Public Entertainment Licence relating to permitted hours and the requirement to keep windows and doors closed whilst entertainment / music is on.

In order to accommodate the above extension of operating hours, and increase in drinking time, the premises opening time will be:

The four licensing objectives of prevention of crime and disorder, public safety, prevention of public nuisance and the protection of children from harm, have been addressed in the application.

The application has been advertised and the statutory consultees consulted.

The Council received one letter of representations from an interested party Mr M L Trotman, a local resident of 1 Hadrian Drive and another from the Police. The interested party states that the application is irregular because:

- (a) the applicant has failed to indicate in their notice that they shall sell alcohol until 01:00 on Fridays and Saturdays when such is in fact their intention
- (b) as at 01/08/05, the applicant had not displayed at the premises a notice of their proposed variations

Further, he states that the proposed variations will only promote public nuisance and crime and disorder. The letter is attached as Appendix 2.

The Police are of the view that increasing the maximum occupancy figure may result in an increase in crime and disorder, risk to public safety and public nuisance. The letters are attached as Appendix 2.
