<p>Assign a GPG Lead from within the Management Team to lead on the delivery of the action plan.</p> <p>Responsibility for delivery – GPG Lead</p>	<p>To lead on the implementation of the GPG Action Plan.</p>	<p>The Head of Organisational Development will be responsible for and lead on the GPG Action Plan. A Focus and Delivery Group will be formed to help support the delivery of the plan across the organisation.</p> <p>The Chief Executive at this time asked for interested parties and met with staff and although feedback from staff was given there was very little appetite from staff to form a focus group. The work of this plan has therefore been embedded into the overall HR Work Plan.</p> <p>Following the publication of the 2019 Gender Pay Gap, the GPG Lead will encourage a small team of individuals to come together to work on key initiatives that form part of this action plan.</p>	<p>Focus group to be formed April 2019</p> <p>April 2020</p>	<p>Gender Pay Gap will be reduced and gender equality will be improved within the organisation.</p>
<p>Research GPG Reports/Action Plans from other organisations</p> <p>Responsibility for delivery – GPG Lead with GPG Focus Group</p>	<p>Compare the results of SKDC to other similar organisations, benchmarking with others will help define if SKDC gender pay gap is cause for concern.</p>	<ul style="list-style-type: none"> • Compare the results of SKDC with other organisations • Gain ideas and best practice from the action planning of others. <p>A review of the last 3 years of data will take place on the 1st April 2020, previous data has shown that similar district councils have similar issues in terms of services provided etc.</p> <p>Unfortunately due to other priorities, Covid19, Lockdown and focusing on staff wellbeing this work has yet to be developed.</p>	<p>April 2020</p> <p>Work to begin April 2020</p>	<p>Benchmarking information will be used to address any SKDC issues.</p>

<p>Job Adverts/Job Descriptions</p> <p>Responsibility for delivery – GPG Lead with GPG Focus Group</p>	<p>To ensure we encourage applicants who cannot work full-time or within standard “normal” office hours or settings.</p>	<p>Advertise our commitment to workplace flexibility in all recruitment processes highlighting opportunities for variations on full-time working hours.</p> <p>Agile and home working opportunities to suit the needs of the individual and the workplace should be promoted in line with the key values and behaviours set out in our Corporate Strategy.</p> <p>Ensure capability requirements are clear and that all noted essential skills are necessary and not just desirable allowing for technical skills to be learnt after recruitment. Research shows that women are unlikely to apply for a position unless they meet 100% of the requirements, whilst men will apply if they meet 60% of the requirements.</p> <p>All new Job Descriptions include flexibility in terms of working hours but also with regard to our values and behaviours. We will capture this further when we hold further Line Managers’ workshops. We are also undertaking a review of recruitment and selection processes and this will be included. However, we still need to continue to develop and educate line managers.</p>	<p>April 2019</p> <p>Ongoing updating of Job Descriptions 2020</p>	<p>Enhances the Authority’s reputation for inclusivity.</p>
<p>Introduce a programme to recruit returners to employment</p> <p>Responsibility for delivery – GPG Lead with GPG Focus Group</p>	<p>To provide opportunities to women that have been out of employment for an extended period of time</p>	<p>Returners are people who have taken a career break of a year or more for caring or other reasons and who are either not currently employed or are working in roles for which they are over-qualified.</p> <p>Developing a returner programme will give the Authority access to a pool of experienced people who either already have skills we need or who are easily able to acquire them. This may require the re-evaluation of some roles to address the viability of offering part-time/flexible opportunities.</p>	<p>June 2020</p>	<p>Provide a programme to support, encourage and develop returners and enhance the reputation of the Council</p>

		The HR Team are currently undertaking a review of the processes and procedures in relation to Recruitment and Selection, ensuring that we promote all the initiatives, policy and procedure that we currently have within the Council. As part of this review the GPG focus group will be asked to assist with this key project.	To begin April 2020
