1. INTRODUCTION

In light of the priority setting process, Street Scene was identified as a Category 'A' priority. In the past year significant improvements have been made in the service delivery having exceeded many performance targets. As such Street Scene has been re categorised as a 'B' priority (incremental improvement in service) and it is now an appropriate time to consider introducing a corporate Street Scene Strategy to cover the period from 2007 through to 2010.

The attached strategy has been prepared as a consultation draft and has been brought to Cabinet for their approval as a draft following which it would be then subject to consultation with the following groups:-

All Parish and Town Councils
District Compacts
Environment Agency
Lincolnshire County Council
All Districts in Lincolnshire
All Town Centre Management Partnerships
Grantham Business Club
Stamford Chamber of Commerce
Bourne Business Club
