44	Annual Air Quality Update	<p>A visiting Member queried the annual cost of air quality management. The Environmental Health Manager confirmed there was no cost to the area and the authority was obliged to make the declaration. The ongoing cost was the production of the action plan every five years, including a traffic monitoring exercise. However, this was done in house to minimise costs. It was agreed that any annual costs of air quality monitoring could be provided to committee Members.</p>	The Environmental Health Manager		
45	Grantham Canal Partnership Presentation	<p>It was queried whether the Grantham Canal Partnership held a species list. It was agreed that this would be circulated.</p>
