CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Dear Ms Reeve,

We confirm that we will be in attendance of the hearing tomorrow as his legal representatives, and he will also be in attendance.

Please also find attached the evidence to be relied upon.

We would like to bring to your attention that the premises has remained closed while the applicant awaits a decision on the current licensing application. Attached are extensive photographs clearly showing that the premises is vacant and has remained shut for the entirety of this period.

Additionally, we would like to clarify that the current application is not connected in any way to the previous premises licence holder, Mr. Ahmed. To support this, please find attached the Business Rates Bill for the year 2024–2025, which is in the name of the applicant and confirms that he is now responsible for the premises.

Kind Regards
