SK-2132	Great Ponton Parish Meeting	Great Ponton	£25,000	<p>We are hoping to finish a conservatory roof at the village community centre , the main structure is up and we just would hopefully like to finish it off by next year , apparently the original roof that was purchased was ordered incorrectly and we are unable to return it and now we have ran low on funds , we have arranged a quote to complete the necessary work via a very reputable and established local installer trading as Avanti Windows who hopefully could get this building finished by next summer. The completed conservatory would be of enormous benefit to the Centre as they could hold additional more profitable smaller functions in addition to the obvious benefits for larger functions such as weddings etc , the Centre is very modern and well used by many people and groups both locally and from Grantham, it is also used by our local council to hold elections, so it would be nice to see it completely finished in its entirety.</p>
