URN	Applicant	Location	Funding Ask	Brief description
SKMP29	South Kesteven District Council	Grantham	£40,363.92	The project for which we seek funding is an extension to the existing Shopwatch/Pubwatch scheme which currently operates in Grantham. The Council was successful in a Safer Streets bid last year, via the Home Office, through the Police and Crime Commissioner, which provided the funding to get a radio hub set up in Grantham. The funding would allow the Council to purchase radios and the initial licence fees for the benefit of Stamford, Bourne and the Deepings. Funding is sought to purchase 60 radios and earpieces (for privacy) and the required licences for the first year of the project. .
SKMP31	Claypole village store	Claypole	£10,000	This is my previous application URN(RF-1008). This is still in progress. That whole project is new flat roof, solar panels and complete new internally refitting, new shop front door glass, fascia, roller shutter after getting prices and quotes there will be some unspent money from existing approved fund. If my new propose additional work and items qualify for the use of this grant fund then I want to use this unspent money from existing fund to carry out a resurfacing shop car park, resurfacing bin storage area and install storage shed for coal and wood. Our project focuses on investing in new, state-of-the-art equipment to create a safe and stimulating environment for young participants to explore the world of gymnastics.
SKMP35	South Kesteven District Council	Grantham	£52,500	This project will assess the demand for commercial spaces (office and industrial) in South Kesteven District, focusing on Grantham, Bourne, Stamford, Market Deeping, and other key areas. It will evaluate the current and proposed supply of commercial premises, analyzing their type, size, quality, and age. Based on this supply and demand analysis, the project will identify specific quantitative and qualitative needs, both district-wide and for individual settlements. It will also determine the causes of any undersupply and explore options to address barriers, promoting development to meet identified commercial needs effectively.
RF-1031	Treescape Nursery	Sleaford	£55,000	To reduce reliance on EU imported plants, Treescape Nursery would like to build a one-off project consisting of a tall steel framed greenhouse type structure with temperature-controlled ventilation, alongside a germination room for young plants and a potting area.
SK98	SKDC Table Tennis	Grantham, Stamford,	29,186	This project will deliver the installation of at least 4 table tennis tables across SKDC in the following locations; Bourne Town Council – Dyke Sports Field or Bourne Recreational Road

		Bourne, Deepings St James		Field; Stamford Town Council – Stamford Recreational Ground; Deeping St James – Jubilee Park and/or Woody Heights Recreation Area on Linchfield Road; Grantham – Dysart Park This will encourage use of and engagement with local green spaces for physical activity.
RF1027	Side House Coffee	Claypole	£10,000	We are having a purpose built kitchen unit to be able to bake all of our cake and traybake products to keep up with high demand. Currently everything is produced with one domestic oven, in house, which is proving more challenging as we are constantly getting busier. This extra space will enable us to focus solely on customer orders in house, and all the baking will be done in the kitchen unit off site.
