Report of Elizabeth Reeve, Licensing
Officer

Licensing Act 2003: Application for a New Premise Licence – The Green Man, 29 Scotgate, Stamford, Lincolnshire, PE9 2YQ.

Report Author: Elizabeth Reeve – Licensing Officer

 licensing@southkesteven.gov.uk

Purpose of Report

Sub-Committee to determine an application for a new premises licence.

Recommendations

That the Alcohol, Entertainment and Late-Night Refreshment Sub-Committee consider an application for a new premise licence for The Green Man, 29 Scotgate, Stamford, Lincolnshire, PE9 2YQ. Whilst taking into account the views of the representation made in relation to one or more of the licensing objectives:

- The Prevention of Crime and Disorder
- Public Safety
- The Prevention of Public Nuisance
- The Protection of Children from Harm.

Decision Information	
Does the report contain any exempt or confidential information not for publication?	No
What are the relevant corporate priorities?	Healthy and strong communities
Which wards are impacted?	All wards

1. Implications

Taking into consideration implications relating to finance and procurement, legal and governance, risk and mitigation, health and safety, diversity and inclusion, staffing, community safety, mental health and wellbeing and the impact on the Council's declaration of a climate change emergency, the following implications have been identified:

Finance and Procurement

1.1 There are no specific financial implication associated with this report, however, in the event of an applicant, responsible authority or interested person making an appeal against a decision which was then subsequently upheld, the council may incur additional costs.

Legal and Governance

1.2 This is an application for new premises licence under S17 of the Licensing Act 2003. The committee should consider whether the application is likely to impact on the promotion of the licensing objectives. In reaching the decision the Committee should consider, the steps that are appropriate to promote the licensing objectives, the representation (including supporting information) presented by the parties, the guidance issued under S182 of the Licensing Act 2003 and the Councils own statement of licensing policy.

Is an Equality Impact Assessment required? No

Community Safety

1.3 Community Safety implications will be considered in accordance with the licensing objectives and the duty to consider in accordance with S17 of the Crime and Disorder Act 1998

2. Background to the Report

2.1 The Licensing Authority were notified by Lincolnshire Police on 20th November 2025 that the Premises Licence for The Green Man in Stamford had lapsed, as the Limited Company which holds the licence had been dissolved in August 2025.

2.2 On 1st December 2025 an application was received by the licensing authority for a New Premises Licence, so that the Premises could recommence trading. **(Appendix 1)**. The application asked for the same licensed area, similar activities and timings below, with any differences from the previous licence and this new application being shown in highlighted yellow:

- **Indoor Sporting Events;** Monday to Sunday 9am to 00:00
(*Not on the old licence*)
- **The Provision of Live music;**
Indoors Monday to Sunday 12:00 to 00:00, with three days of non-standard timings on Christmas Eve, New Years Eve and Good Friday until 02:00
(*The previous licence had two days of non-standard timings for Christmas Eve until 02:00 but New Years Eve was until 04:00*)
Outdoors Saturday and Sunday 14:00 to 23:00
(*No outdoors live music was on the previous licence*)
- **The Provision of Recorded Music Indoors and Outdoors;** Monday to Sunday 09:00 to 00:00 with three days of non-standard timings on Christmas Eve, New Years Eve and Good Friday Indoors until 02:00
(*The previous licence permitted this from 11:00 and with two days of non-standard timings for Christmas Eve until 02:00 but New Years Eve was until 04:00*)

The Provision of Late Night Refreshment Indoors and Outdoors; Friday and Saturday 23:00 to 00:00 with three days of non-standard timings on Christmas Eve, New Years Eve and Good Friday until 02:00(*Not on the old licence*)

- **The Sale of Alcohol on and off the Premises;** Monday to Sunday 09:00 to 00:00 with three days of non-standard timings on Christmas Eve, New Years Eve and Good Friday until 01:30
(*The previous licence permitted this from 11:00 and with two days of non-standard timings for Christmas Eve until 02:00 but New Years Eve was until 04:00*)
- **Opening hours;** Monday to Sunday 09:00 to 01:00 with non-standard timings until 02:00
(*The previous licence permitted this from 11:00 and with two days of non-standard timings for Christmas Eve until 03:00 but New Years Eve was until 05:00*)

3. Key Considerations

3.1 Each application is to be determined on its own merits

3.2 During the consultation period Lincolnshire Police submitted a representation that was subsequently withdrawn, after revised Premise Licence conditions were agreed between both parties. A copy of the new conditions are attached at **(Appendix 2)**.

3.3 During the consultation period, over 20 residents submitted representations to the application. One representor wished to remain anonymous, and one representation was not accepted, as this was deemed as not relevant.

3.4 The applicant held a meeting with some of the residents from a retirement housing complex, and proposed revised timings for all activities to them, which were subsequently agreed **(Appendix 3)**. This group of residents then agreed to withdraw their representations.

3.5 A number of resident representations still remain outstanding at the time of writing this report **(Appendix 4)**. These relate to concerns over historic instances of alleged noise disturbances, as well as a concern over a potential increase in noise and anti-social behaviour, as a result of this new application.

3.5 A location plan has been included showing proximity of the premises to local residential properties **(Appendix 5)**.

3.6 The applicant has also sent a further letter addressed to those who had submitted representations, responding to their concerns **(Appendix 6)**.

3.7 Licensing Officers have the delegated authority to decide whether a representation is relevant, vexatious, or frivolous however, Section 9 of the Revised Guidance issued under section 182 of the Licensing Act 2003 states:

9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The Subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.

3.8 It was felt that the representations at Appendix 4 did not fall within the delegated authority.

3.9 Where relevant representations are made, the authority must:

- i. Hold a hearing to consider them, unless the authority, the applicant and each person who has made such representation agree that a hearing is unnecessary, and
- ii. Having regard to the representations, take such steps mentioned below (if any) as it considers necessary for the promotion of the licensing objectives. The steps are:
- iii. Grant the application subject to conditions that are consistent with the operating schedule modified to the extent that the committee considered appropriate for the promotion of the licensing objectives and any mandatory conditions that must be included under the Licensing Act 2003.
- iv. Exclude from the scope of the licence a licensable activity to which the application relates.
- v. Refuse to specify a person in the licence as a Premises Supervisor. (DPS)
- vi. Reject the whole or part of the application.

4. Reasons for the Recommendations

4.1 The licensing authority should give appropriate weight to;

- ❖ The steps that are appropriate to promote the licensing objectives.
- ❖ The representation (including supporting information) presented by the parties.
- ❖ The guidance issued under section 182 of the Licensing Act 2003.
- ❖ South Kesteven District Councils Licensing Policy.

4.2 The guidance issued under Section 182 of the Licensing Act 2003 states at 9.37 that;

“As a matter of practice, Licensing Authorities should seek to focus the hearing on the steps considered appropriate to promote the particular licensing objective or objectives that have given rise to the specific representation and avoid straying into undisputed areas. A responsible authority or other person may choose to rely on their written representation.

They may not add further representations to those disclosed to the applicant prior to the hearing, but they may expand on their existing representation and should be allowed sufficient time to do so, within reasonable and practical time limits.”

5. Consultation

5.1 Statutory 28 day consultation has taken place from 9th December 2025 until 6th January 2026. During this time one representation from Lincolnshire Police was submitted and withdrawn. A number of representations from members of the public were made, with a number withdrawn, and some still outstanding.

Notes for Guidance

1. Describe the premises, for example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
2. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
3. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.
10. The application form must be signed.
11. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
12. Where there is more than one applicant, each of the applicant or their respective agent must sign the application form.

General

All staff responsible for selling alcohol that do not hold a valid personal licence, shall receive training in the Licensing Act 2003, in terms of the licensing objectives, offences committed under the Act, conditions on the Premises Licence and Challenge 25 policy. Training shall be refreshed every 6 months with written records retained for a period of no less than 12 months and be made available on request to police and authorised officers of the Licensing Authority. Records will be endorsed with details of the person providing the training, the person trained and the date.

Crime and Disorder

A CCTV system shall be installed, recording and maintained in working order and operated at the premises to the satisfaction of Lincolnshire Police, specifically:

- a. There shall be a minimum of one high resolution colour camera, fitted in a weatherproof housing, for external coverage of the entrance.
- b. There shall be a minimum of one high-resolution colour camera fitted to each public entrance/exit. To provide a quality head and shoulder image for facial recognition/identification purposes of all persons entering the premises.
- c. There shall be sufficient cameras able to cope with the normal operating illumination to reasonably cover all licensed public areas.
- d. Recordings must be kept for a minimum of 28 days and endorsed with the accurate, correct time/date (BST/GMT adjusted).
- e. Police and/or Authorised Licensing Officers shall be able on attendance to view immediate playback of any incident without the necessity for download.
- f. Recordings of incidents at the premises must be provided to the police following lawful request.
- g. A member of staff shall be on the premises at all times they are open to the public who is capable of operating the CCTV system and providing recordings on request. When this is not possible recordings shall be provided within 24 hours of the original request.
- h. Recording equipment shall be housed in a secure room/cabinet where access and operation is strictly limited to authorised persons.
- i. All equipment shall have constant time/date generation, which must be checked for accuracy on a daily basis.
- j. In the event of a system malfunction, the Designated Premises Supervisor or the Premises Licence Holder must immediately record details of this malfunction in the premises refusals/incident book. Arrangements for its repair must be made without delay.

SIA registered door staff shall be employed at the premises in accordance with a risk assessment, to be carried out by the DPS or licence holder.

This risk assessment will be kept on the premises at all times and presented to any requesting licensing authority upon their request.

On any occasion when door staff are employed the following will apply :

There shall be provided and kept at the premises a bound and sequentially numbered book or electronic record to record details of every person employed on the premises as a door supervisor. The record shall contain the following details:

- The door supervisor's name;
- His/her/their Security Industry Authority Licence Number;
- The time and date he/she/they commenced and concluded their duty;
- The door supervisors shall sign each entry.
- The log to be inspected daily and signed by a member of the management team.
- The log to be retained for a period of no less than 12 months and made available to Lincolnshire police for inspection upon request.

Public Safety

Patrons shall not be allowed to enter or leave the curtilage of the premises whilst in the possession of any alcohol drink in unsealed containers. For the purpose of clarity, this means any alcohol leaving the premises includes leaving for any reason whether temporarily or otherwise. The only exemption being consumption in an outside area of the premises provided for that purpose.

Staff employed will take all necessary measures to ensure glassware is not removed from the premises by patrons.

An incident record shall be kept at the premises (either electronically or in writing) in which details of crime and/or disorder relating to the premises shall be recorded. The incident record shall be retained for a period of 12 months from date of completion and contain the following details:

- a. Time, date and location of incident;
- b. Nature of the incident;
- c. Names, addresses and contact details of persons involved if known or description if it is impractical to gain these details;
- d. The result of the incident;
- e. Action taken to prevent further such incidents; and
- f. Each entry signed by the DPS or other responsible person employed at the premises and so authorised by the DPS.

A refusals record shall be kept at the premises (either electronically or in writing) in which details of any alcohol refusals relating to the premises shall be recorded. The refusal record shall be retained for a period of 12 months from date of completion and contain the following details:

- a. Time, date and location of refusal;
- b. Reason for refusal;
- c. Result of the refusal;
- d. Each entry signed by the DPS or other responsible person employed at the premises and so authorised by the DPS.

Public Nuisance

All external windows and doors must be kept shut at all times regulated entertainment is being provided after 22:00. Doors may be opened for normal entrance and egress of people but must be shut immediately thereafter.

Clear and legible notices must be prominently displayed at all exits requesting customers to respect local residents and leave the area quietly.

Regular assessments of noise will be carried out by the person in charge of the premises, to ensure it does not go beyond a reasonable level that would cause nuisance to local residents.

Protection of Children from Harm

The premises shall operate the "Challenge 25" Proof of Age Policy to prevent the sale or supply of alcohol to persons under 18 years of age. The policy shall require any person who appears to be under the age of 25 years to produce one of the following forms of identification:

A recognised proof of age card credited under the British Retail Consortiums Proof of Age Standards Scheme (PASS);

Photo driving licence;

Passport.

Notices shall be prominently displayed advising customers of the "Challenge 25" policy

All under 18's on the premises must be accompanied by a responsible adult.

Good morning Elizabeth

Thank you for your email . Unfortunately I do not know where the disruptive action emanated from as did not wish to know in the early hours of the morning for safety reasons. Dear Heather. Thank you for your email. In addition to my earlier email I wish to object to the licensing application on the grounds of crime/disorder prevention, public safety, and nuisance for the reasons as set out in my earlier email. During the ownership of my property I have had to call the police ... on one occasion there were in the early hours of the morning arguments with one of the parties threatening to murder the other on. On another time a woman was on my front doorstep with blood coming out of her head and there has been damage to my car on numerous occasions with my Land Rover being stolen and destroyed. The other nightclubs are in more commercial locations. This property is in a

residential area. There is drug dealing on the public footpath next to my house. Please put both this email and my earlier email as objections to the Licensing Committee as my objections. Thank you JudithO'Hara

Dear Judith,

Thank you for your email, your comments are noted. We do appreciate your concerns, however I have included a link to our webpage which explains in more detail about making a representation (objection) to a licence application - [South Kesteven - Licensing / making a representation](#)

There are elements in your representation that could be said to not be based upon evidence or evidenced eg. reference to previous disturbance and criminal damaged. You also refer to the closure of the nightclub in Broad Street, I must advise that it is still open it hasn't shut. Along with there being only one venue in Stamford that facilitates alcohol consumption and loud music within the times within the scope of the application. Including the Broad Street nightclub there are other premise licences that whilst may not have the exact timings, they do facilitate the consumption of alcohol and music to be played within the scope of this application.

Please review the guidance within the link and let us know whether you would like your current representation to remain for consideration or submit a revised document. It would be usual if a representation is accepted, other than in exceptional circumstances, for us to pass on representation comments to the applicant to enable them to liaise with you directly regarding your concerns, to see if there was any clarification and/or amendment that can be agreed upon, to alleviate your concerns. Please confirm you are happy for us to pass on your name, email and partially redacted address to the applicant.

My name is Judith O'Hara and am the owner of [REDACTED] Rock Terrace Scotgate Stamford PE9 2 YJ. I purchase my property in 1999 . At that time and for many years there was a lot of disturbance and criminal damage caused to both the properties and vehicles belonging to the owners of the properties along Rock Terrace. After the closure of the nightclub in Broad Street there was less disturbance which had occurred during the early hours of the day. It was a great relief as I am a widow of 25 years aged 75.I am very concerned that the above Application will again cause distress and disruption as there is only one venue in

Details of representation

In accordance with considerations in the Licensing Act 2003, the Premise Licence application by The Green Man Public House will impact the ability of the police and local authority to prevent crime and disorder as evidenced by the elevated rate of anti-social behaviour in this area according to Lincolnshire Police reports. Public Nuisance will be an issue due to the persistent issues of anti-social behaviour, especially excessively elevated noise levels emanating from both recorded and live music, from the Green Man beer garden and from within the pub that have been experienced by local residents over many years. I have personally had to contact the police/local authorities on many occasions when excessive live or recorded music levels have been experienced late into the night, beyond 22:00 and often up to 00:01+. This has been exacerbated by a lack of communication with local residents by successive landlords.

The proposals for the provision of late night refreshment indoors on a Friday and Saturday from 23:00 to 23:59 is acceptable yet should be restricted to indoors and not outdoors during this timeframe due to public nuisance/noise issues.

Opening hours in order to support the minimisation of public nuisance, especially with regard to noise and anti-social behaviour, from 09:00 to 23:59 with non-standard timings until 02:00 would be most appropriate considering the residential nature of the area and reported nuisance in the area.

Whilst I recognise that a considerate approach can mitigate some of the issues this has not been my experience over the past 20+ years. In addition, there are other licensed premises in Town that provide facilities beyond the hours requested that have measures in place to minimise public nuisance and anti-social behaviour which will not require further public policing/local authority resource. Therefore I object:

- to the provision of live music indoors beyond 22:00 unless appropriate noise reduction measures are put in place to provide adequate noise suppression;
- to the provision of live music outdoors beyond 22:00 on any day of the week;
- to the provision of recorded music outdoors beyond 22:00 on any day of the week. The provision of recorded music indoors until 02:00 is acceptable as long as appropriate noise reduction measures are put in place to provide adequate noise suppression.

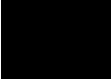

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives

Once the Licensing Section has received this form you may be contacted to discuss the issue prior to any referral to a sub-committee hearing.

Please tick this box if you consent to any notice of hearing being sent to you to the e-mail address provided by you above.

Please tick this box if you do not intend to attend or be represented at the hearing.

If you wish to withdraw any representations you may do so confirming this in writing to the address given below, providing you do so no later than 24 hours before the any hearing, or otherwise orally at the hearing.

Hi Elizabeth, thanks for coming back to me on this.

The process is confusing and from what I've heard others have struggled to find where and how to comment.

I have tried a couple of times to use the *Representation Form* but it's not fit for purpose, so better I replicate the form below so you can either enter it at your end or forward it on to the applicant as it is.

(Namely the autofill functionality doesn't work and when you try to insert text boxes - so you can add your comments - and save it to forward, it deletes much of the content.)

Thanks also for the clarification around the non standard music timings but this doesn't change the fact that the Pub is looking to serve alcohol and play music outdoors from 9am until midnight seven days a week.

Representation on a Licensing Application

Email: [REDACTED]

Licence Applicant: Rock Industries, T/A Green Man Pub

Address: 29 Scotgate, Stamford

Application Details: Licence Extension S25/2395

Last Date for Representation: 6/1/25

Representation against Licensing Objectives: Prevention of Crime and Disorder & Prevention of Public nuisance

Detail of Representation:

Outdoor amplified music and extended opening until midnight every night will significantly increase noise, congregation and dispersal of customers on Rock Road at times when residents reasonably expect quiet; creating a greater risk of shouting, swearing, arguments, littering, urination and other forms of nuisance.

Lincolnshire Police's support for night-time safety initiatives with licensed premises explicitly recognises that extra controls and partnership action are needed to reduce crime, violence and anti-social behaviour in the evening and night-time economy so that local areas feel safe for all.

Adding another late-trading, venue playing outdoor music in a residential neighbourhood runs counter to that aim and is likely to place additional demands on already-stretched police and community safety resources.

In my view, the proposed hours and outdoor music are not appropriate for this location and would negatively impact local residents through increased crime risk, disorder and public nuisance. I therefore ask the Licensing Sub-Committee to refuse the application, or at the very least to impose substantially reduced hours and robust conditions including no outdoor music (recorded or live) in the late evening.

As a house that borders the pub we have in the past had to regularly call to ask for loud outdoor music to be turned off after 11pm as it disrupted both school children's revision and more importantly their sleep.

A proposed extension to keep the pub garden open with recorded music every night until midnight with flexibility to stay open until 2am would be totally unacceptable and cause disruption to local residents both young and old.

I have no issue with the pub staying open and playing music inside, but the noise from an outdoor venue would make what is already a bad situation in the summer months much worse; causing distress, contributing to adverse mental health issues and negatively impacting on property valuations - something as a community of residents we would need to fit.

There will be alternatives in the town, that do not adversely impact on the lives of local residents so it is difficult to see how any changes to the licence can be justified.

I consent to any notice of hearing being sent to my email address.

Good Afternoon Justin

Sorry that the planning portal and process has confused you. As Emma has stated, the licensing process is different to that of a planning application

If you wish to formally submit a representation to this application then we will accept this and send this onto the applicant in full and including your details, so that they may have the opportunity to respond and see if any agreement can be reached before being heard by licensing committee

The applicant will be best placed to answer queries about their intended operation, however we can clarify certain aspects of the full application which the public is entitled to view on request. This includes:

I can state that regarding the application, the timings for outdoors are reflected only on the dates below

- Live music outdoors Saturday and Sunday 14:00 to 23:00
- Recorded Music indoors and outdoors Monday to Sunday 09:00 to 00:00
- Late night refreshment indoors and outdoors 23:00 to 00:00 Saturday and Sunday
- The sale of alcohol on and off the premises Monday to Sunday 09:00 to 00:00
- The only 0:200 extension for live and recorded music and late night refreshment is for Christmas eve, New Years eve and Good Friday. The sale of alcohol for those days is until 01:30

I can confirm that the application does state the following for any non-standard timings:

- Live music until 02:00 indoors only applies to Christmas Eve, New Years Eve and Good Friday. Outdoor Live Music for those three non-standard dates have been requested as Saturday and Sunday 14:00 to 23:00
- Record Music has been requested until 02:00 indoors and outdoors and applies to Christmas Eve, New Years Eve and Good Friday

Please see the below guidance from our website on representations and a link to the guidance here [INTERESTED PARTIES](#) :

Your representation:

- should be evidence-based, must not be frivolous or vexatious and must be relevant to one or more of the four following licensing objectives:
 - prevention of crime and disorder
 - public safety
 - protection of children from harm
 - prevention of public nuisance
- will be rejected if it is considered insincere, unreasonably obstructive or repetitious

must be made in writing

- should include your full name and address (any anonymous correspondence will be rejected)
- must be received within 28 calendar days of the date of the application
- must provide in detail any evidence relied upon to back up your points
- is a matter of public record, sent in full to the licence applicant and submitted to the committee hearing

As an objector, there is an opportunity to remain anonymous, if there is a genuine and well-founded fear of intimidation. Please confirm if this is the case? You can provide your address to us and we will therefore not disclose any of your details, and instead try to act a mediator between parties

We can accept representations via email, however we do prefer a form to be used, as this details further information that ideally we ask to be provided. A copy of the form is here [Representation Form](#)

Dear Mr Leckie

Thank you for the email that you've sent regarding the licence application for the Green Man pub in Stamford.

Looking at your original email of 31st December, the email addresses used are not correct which is why you've not received a response.

The planning case that you've identified on the planning sections of the Council's webpages are not an application type where we seek comments from the public because the planning team is only acting as a consultee and not the decision maker. The planning team will also only respond in relation to any potential conflicts that there might be with any planning requirements such as hours of operation. I can therefore confirm that the decision that you are referring to is simply the response from the planning team to the licence application consultation and not the decision about the licence itself.

The licencing application is determined by our Environmental Protection Team. Looking at the letter attached to your original email, the licencing team was seeking comments via their email address (cc'd into this email) by 6th January. I will separately forward your email onto that team so that they have your comments and they can take these into account when they make their decision. If you have any additional comments, please can you let the licencing team know directly via their email address.

I hope that this clarifies the situation for you?

Hello Phil, I hope you have had a good Christmas.

I'm emailing you as there seems to be an error on the SK Planning Portal preventing comments on the above application.

I've recently been on the Portal to look at the process for commenting on the Green Man licence changes and it appears that the consultation period has been closed and a decision made (by yourself on the 15th December)

The letter I received before Christmas (Attached & dated 9th December) inviting comment, states the 6th January 2026 as the closing date for representation, so there's either been a breach of process or an admin error. More likely an Admin error as the decision date was only 3 working days after the letter was posted.

Either way it feels like the process has been skewed as others may well have visited the site and been preventing from participating. I presume this means the clock needs to be reset and the process restarted to allow for an open and transparent consultation.

As I'm unable to enter comments on the portal I'll add them here so you have them.

"As a house that borders the pub we have in the past had to regularly call to ask for loud outdoor music to be turned off after 11pm as it disrupted both school children's revision and more importantly their sleep.

As an owner of a house that borders the Green Man Pub I am extremely concerned by the licence application. Over the years there have been numerous occasions when we have had to contact the pub due to loud music, in breach of its existing licensing rules, that was unreasonably affecting quality of life and sleep.

The proposed licensing for outdoor recorded or live music every night until midnight (and the flexibility until 2 am) would be totally detrimental to the local area and have no regard for the wellbeing of local residents. In addition to the obvious excess noise this would bring-(both in terms of the music and the people having to shout over the music), the extended operating hours would inevitably lead to increased levels of intoxication and an increase in antisocial behaviour and public disorder in the area which without significant extra resources and increased local policing would further impact local residents and make them feel unsafe. The alleyway joining Scotgate to Rock Road already causes issues with people "congregating" after pub closing hours.

As a neighbour to a public house I accept that some form of occasional noise disruption is inevitable and I accept that indoor music is part and parcel of a pub. However, the proposed licence request is not appropriate for the location and the impact on local residents would be totally unacceptable. In granting this application I believe the council would be in breach of its duty of care for the well being of local residents.

A licence limited (and adhered to) to INDOOR music until midnight at weekends, coupled with improved sound proofing measures would be a reasonable compromise that protect the quality of life and safety of local residents.

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives

Details of representation

I oppose the granting of a licence for this business to stay open on an unspecified number of days until 2 a.m., or to offer live or recorded music indoors or outdoors until 2 a.m., and the sale of alcohol until 1.30am, on the grounds of causing a public nuisance to the immediate neighbourhood, and specifically disrupting my enjoyment of living in my own home.

I live four houses along from the pub and further up the hill, but all the houses are very close together with no gardens or buffer zones created by hedges or trees, so anything happening in the enclosed rear yard of the pub can easily be heard inside my house if the windows are open, and when the volume of conversations, and particularly explosive or cackling laughter, rises, it is audible even with the windows closed. The amphitheatre effect of the hard walls around the yard concentrate the noise and channel it upwards. Extended opening hours would logically mean customers staying longer and drinking more, which would tend to increase the volume of conversations, and is already noticeable on weekends when the pub has been busy from mid-afternoon.

There is an external speaker mounted on the rear wall of the pub used to relay whatever is happening inside, for the benefit of the customers who are smoking, or who cannot find a seat inside, or prefer to be outside. This speaker is switched on for music events and quiz nights, and its volume is sufficient that I can make out the questions, twice over, once when asked and again when repeated at the end of each round. This prompts my concern that any music played inside or outside the pub late into the night or early morning will be equally audible. Currently any music played can also be heard very easily, and if there is a strong bass beat it can feel as though it's coming through the walls, even with the windows closed. In summer, the choice is between stifling heat so that others can be entertained for profit, or a through flow of air to cool the house accompanied by headache-inducing noise.

When I moved into Rock Road in 1987 the hours when alcohol could be sold meant that The Green Man closed at an hour which enabled a good night's rest. However, on several occasions in recent years, I have had to telephone the pub in the early hours of the morning to ask for the volume of the outside speaker to be turned down, on two occasions after 2.00 a.m. My telephone bills will show the times when I used my landline to call the pub, even if not the content of the calls.

The fact that this pub is surrounded by residential properties, and not in the centre of a district of other night-time enterprises, needs to be considered by the applicant. There are sufficient other pubs in Stamford town centre that the community will not be deprived of late night socialising without The Green Man staying open until 2 a.m. so there will not be an adverse effect on the community with regard to potential places for drinking and entertainment.

I sympathise with a wish to maximise income, but this does not take precedence over the need of neighbouring households to get enough sleep.

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives

A plan for monitoring and keeping sound levels inside and outside the pub below certain specified limits would need to be in place. Live or recorded music not to be relayed to the external speaker after 11 p.m.

The external speaker to be switched off if no customers are in the rear yard of the pub, and its volume to be monitored when in use to ensure it is also below the specified limit.

The pub to advertise proposed music events with start and end times so that residents would know they were happening and not be unexpectedly disturbed with no chance to re-arrange family or social gatherings in their homes.

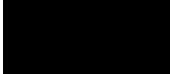

This would remove the public nuisance of loud music and conversations disturbing nearby residents' use and enjoyment of their homes, and would allow residents to sleep at times currently preferred instead of having to change their lifestyle to fit in with the commercial needs of the pub.

Hi [REDACTED]

The applicant has confirmed that they have a response to be sent to you, as below

First, if I offended in any way, then I wholeheartedly apologise. I initially had a barrage of comments which seemed to reflect a completely different pub to that which I own. I reiterate, the premises I run now is quite different to the one previous landlords and managers I employed ran in the past.

My comments were born from panic that my business was being disrupted. It also shows how passionate I am of a property and business in which I have invested a lot of money and time and that's why we have to get this right for everyone.

I am most respectful of neighbours, customers and all associates of the pub. That's why just about everyone whom I've met face to face are more than happy with my proposals. I've also given my personal email address for immediate issues.

Any reference to finances is the loss I am making when I am closed (like this week). No-one has claimed against my finances - simply, my family is losing its only income and furthermore, having to delve into personal savings to cover ongoing outgoings.

I reiterate, as noted in my letter, there is no jukebox anymore! There is a more controllable music system in place and I've already stated that whether I'm there or not, the volume is much lower and only on one speaker, for the enjoyment of customers in the garden, particularly in the summer. I'd welcome this neighbour's help in monitor this so I can keep a disciplined control on it.

There is now just one small speaker, situated on the centre of the pub back wall, not near any of the 3 residential walls or apertures. It has its own control so the volume in the garden will be different to any internal pub zones.

I'm not painting a picture, it's reality and no doubt the neighbour has also heard children playing in the garden on Friday after-school gatherings and customers talking to their pets. I tell everyone to come in and see for themselves. To suggest that I'm being disingenuous is unfair and it is the kind of thing that has been put to me, to which I have to strongly object.

Just like a nearby neighbour who, instead of speaking with me about any issue,

daubed his dog's excrement all over my windows last New Year's Eve (well, NY day at 1am), so my wife and I spent our first hour of 2025 cleaning dog muck off our windows. He returned to do it again but we called the police. This is the kind of thing we have to put up with.

Of course, smokers are adults and mainly in the winter, there will be adults in the garden. Inside, it's as I've described and welcome to come and experience such a lovely atmosphere.

Just to reiterate, the serving and opening times have been reduced, not extended. Friday and Saturday is generally busy in every pub and the processes I've put in place and agreed with the police, should help to control behaviour and noise.

I have made no addition to live music, just reduced hours and proposed controls where there were none before. Our previous licence granted live and recorded music inside and out 7 days a week until midnight. So, again, I've curtailed the music hours both inside and out.

We definitely have a general easy listening genre policy. There may have been electronic stuff last year, but it went with the member of staff playing it. The most you'll get that's not easy listening is what's on the Top Of The Pops on Apple Music charts sandwiched between Ed Sheeran and Adele.

It's unreasonable to stop people enjoying such a lovely, verdant garden space, especially in the summer and if we all work together, I'm sure it'll work out for everyone.

We rarely have live music, hardly ever midweek and I've detailed plans that I know of this year so no one should be over concerned. We just need to be ready to host unexpected events, but in a very measured way. The May Day event last year, which is happily noted as acceptable and where we offered a goodwill measure of rum punch (sounds like our neighbour was there given the detail), is an example of our planned entertainment.

I will be issuing notices of events as I know them, directly to all residents, also posted on the What's On Stamford Facebook site and on the GM Instagram page. Residents are also welcome to join the GM WhatsApp group for instant information about events, new ales and offers.

That way, nearby residents can a) keep informed, b) hopefully join us, c) make plans accordingly

As for smoking at the front, requests have been made by me and staff but as yet,

because this license is not in force and I am opening with temporary licenses, it's difficult to enforce. The sooner we get this done, the quicker all these controls I've proposed can be actioned.

It really would be easier to discuss in person but hopefully my assurances above will be sufficient to move on.

Kind Regards

Thank you for your reply

I know nothing of any claims made against the landlords finances, and I think the claims of a vendetta or fake news speaks volumes of the landlords attitude towards the neighbours of the premises.

I read and understood the conditions of making an objection, and I have given a frank and honest account of how things are for the neighbours. The music speaker (attached to the juke box) in the garden is far too loud, and in my opinion, out of respect of the neighbouring residential properties, shouldn't be there at all. Painting a picture of a family pub, with children playing games listening to acoustic folk music joined by their pets is not the tranquil bliss that the neighbours experience living near this establishment. Friday and Saturday nights this is a very noisy pub and this will get worse with any later opening times.

I object to the later opening times for this premises

Kind regards

Hi [REDACTED]

The applicant has come back with a response below which they wanted me to pass onto you

If there is any meeting set up, I am happy to share any details with you

Whilst our valued local resident paints a harsher picture than actually happens, I do want to ensure that they are happy neighbours and feel they can also be valued customers if I can assure them of our cooperation.

I absolutely encourage customers to smoke at the rear rather than the front and we clear the garden by 11pm and very much manage the volume and timing of garden music to turn off the music earlier than pub close (which I purposely keep low). We constantly sweep the front and The alley and we also weed along the house next to us as well as sweep steps going up to Rock Rd/Waitrose, keeping things tidy for everyone.

I'll redouble efforts to this end with clear signs to direct smokers to the garden and music off by 10.30. I can't entirely close the garden because it's a fire escape and also a provision for smokers.

There seems to be some panic about timing. Generally, midweek we're closed by 10.30/11. Weekends by 12/12.30.

We do not open until 2.30pm, so no disturbance there and also, I specifically request our stock deliveries to be after 10am so they do not disturb residents in the morning.

The pub service timings I've proposed are the same as I have now. Last orders midnight, clear out by 12.30. The 1am request is to manage guests leaving in a timely manner (not just thrown out en masse). We do close the door at last orders so the pub is not actually open.

The timings I've proposed are to manage the exit of customers and rarely is any disturbance caused. It's also to keep to our license commitments (we can't be clearing stragglers and officially closed at the same time).

However, may I suggest the following:

Sunday to Thursday, last orders 10.45pm, doors closed at 10.45pm, drink up and pub cleared by 11.30, with supervised exit and closed. Garden music off by 10.30.

Realistically, based on current activity, this is usually much early - closed 10.30/11.

Friday/Saturday, last orders 11.45, doors closed at 11.45, drink up and pub cleared by 12.30 with supervised exit and closed. Garden music off 11pm.

Again, I contest that's is a loud music pub, although on occasion, we have a birthday celebration and a busy pub can be noisy. Generally, it's not (I said it's not a thrashing live music venue). Again, I will redouble efforts to keep noise down and doors closed.

We have an annual gathering of Harrier jet engineers to herald their service to the nation and fund raise, which is exceptionally busy so that may have been noticed by residents. I'll let residents know of that date (usually early June).

I have had very few complaints and I'm certainly not an aggressive person. Is this the same person that claimed I had a pub in Peterborough and went bankrupt? Is this a personal vendetta of fake news? I've never had a pub in Peterborough and certainly have never been bankrupt! I'd like proof of this but in an effort to really help, I trust that the above has come some way in assuring this resident that we're on the same side.

It's a difficult business from which to make a living and we're trying our best to meet in the middle, create employment for local youngsters and provide a pleasant space for the community, which if the resident visited, can be clearly seen.

We are in the Good Beer Guide for our real ales so that is reflective of the type of customer that comes in. We do not show sport (except national games on BBC/ITV) and the last live music was an Irish folk band that just play on their instruments, not through loudspeakers. We do not host karaoke parties, we do not have a pool table or darts and do not have gaming machines. Many families with young children come in and play board games and those with pets join us. Perhaps this person is confusing me with a prior landlord in previous times?

I welcome the opportunity to chat and assure all residents that we do our best to serve the local community peacefully and respectfully. Indeed, many neighbours are our most fervent supporters.

Best regards
George Sakkalli

Hello thank you for your reply

The planning is for the to be open until 01:00 every night. That will definitely cause disturbance to the neighbours, the pub is surrounded by residents who are already disturbed by the noise.. especially from the outdoor music speaker they have

in their pub garden. No effort is currently made by the landlord to keep the noise down in the rear garden or to stop people smoking out the front of the pub. I am constantly picking up cigarette butts off the pavement directly outside the front of the pub. As regards to the 24hr petrol station opposite the premises, they do not 'serve' alcohol, they sell sealed alcohol containers to take away. It's is not a social gathering point, and the only time antisocial behaviour occurs is when a group of smokers from outside the Green man is shouting across the their friends.

I don't know what he means by his pub is not a 'thrasher' pub. But it is a very noisy pub with loud music playing and shouting by customers.

I object to any extension to the current opening hours as my neighbours and I have to put up with enough as it is. He has had complaints by phone call and in person by neighbouring residents but has shown a complete disregard, and neighbours are hesitant to complain now because of his aggressive attitude

Yours faithfully

Hi [REDACTED]

Regarding your comments, I will keep your representation anonymous and try to liaise with the applicant on your behalf

The applicant has now come back with a response to some of your comments below:

"The non-standard timings are for Christmas Eve and New Year's Eve only. Obviously, Christmas Day and New Years Day are celebrated at midnight.

I fully want to cooperate with neighbours, who can be our most valued customers.

May I propose that we make sure last drinks are at 12.45 and

drink up by 1.15? Any stragglers will be gone by 1.15/1.30. That way, people can celebrate with friends and family without rushing, have a farewell drink, drink up and leave in a leisurely manner. I've found that rushing people out after a celebration can be more difficult and cause disturbance as it's rushed so as against their will.

It's most likely only New Year's Eve anyway as most go home to see in Santa with their kids on Christmas Eve!

I'm not sure how long the local resident has been there but there have rarely been any disturbances at any time throughout the year, even Christmas and New Year. We certainly haven't had any reports from neighbours, except one neighbour last year way after we were closed.

We generally close by 10.30/11pm midweek and midnight Friday and Saturday.

We are not a thrashing live music venue - we rarely have live bands and always finish live music by 11.30. Doors and windows are closed way before then.

The petrol station directly across the road serves alcohol 24 hours and I would suggest that is more of a concern.

I can confirm that the application does state the following for any non-standard timings:

1. Live music until 02:00 indoors only applies to Christmas Eve, New Years Eve and Good Friday. Outdoor Live Music for those three non-standard dates have been requested as Saturday and Sunday 14:00 to 23:00
2. Record Music has been requested until 02:00 indoors and outdoors and applies to Christmas Eve, New Years Eve and Good Friday

The applicant is also in the midst of agreeing amended conditions with the Police, that may include additional measures to help with the escape of and monitor of noise. I can send you a copy of those when they have been finalised if you like?

If you wish to view the redacted copy of the application form then please let me know

I would be grateful if you could provide me with any response on the above so that we can continue to liaise

on your behalf and see if there can be any resolve

Dear sir/madam

I am writing to object to the application of premises licence for The Green man, 29 Scotgate, Stamford. I live in the adjoining building and the proposed 'non-standard' extended hours with music (til 02:00) are of great concern to me. Noise and anti social behaviour will be unbearable for me and my neighbours. I

fully understood that I
was moving to live
next door to a pub
when I did, but a
midnight finish I
considered
acceptable. Please
keep the closing
times as they have
been, midnight.

Kind regards

Dear Neighbour

I trust you are well. George here – I own the building freehold and run the pub business at The Green Man.

I'm writing to briefly summarise the latest revised operating hours submitted to the licensing authorities and to generally address some concerns and issues that nearby residents have helpfully brought to my attention.

The application and hours have been accepted by the SKDC licensing team and the police have no objections.

Most other neighbours that have made representations (such as the good folk in Newcomb Court and other Rock Rd/RockTerrace and Scotgate neighbours) have met or spoken with me and SKDC and I was able to explain in detail the changes and benefits and all have agreed to the application. I've also noted below some requirements I have fully and happily accepted from the police officer responsible for licensing.

Just a few notes which I may have already sent via Elizabeth at SKDC licensing...

First, I am sorry that you have experienced general disturbances by boisterous customers and overly loud music from the garden. We've worked hard to get here but we are now blessed with a busy trade. With that comes greater footfall and gatherings.

It is mine and my team's priority to rein in such annoyances, but a pub like ours is a large and fluid space and we can inevitably miss the odd problem (rare nowadays), when very busy.

More recently, it has become easier as I've managed to attract a much more responsible clientele. You may have already noticed less disturbance.

Why? Firstly, because over the last year or two, I've actively permanently ejected some excitable individuals. As a result, new customers are finding that they can enjoy the space without rowdy behaviour.

Second, because I've actually made it a boring pub! Sometimes, one just likes to sit with a drink of choice in a lovely space, next to a log fire and The Eagles playing in the background. That's us now.

We DO NOT have a juke box anymore. I realised that this may have been a main cause of loud music inside and projecting outside as it was positioned near the front door. Some staff, in my absence, would turn it up when closed whilst cleaning or prepping the following day or have friends in without my authority. This booming machine is no longer a concern. We do have a wired system around the pub but just standard amp and speakers, zone controlled.

Last year I was away for full knee replacement surgery and recovery, then back and forth to Cyprus spending time with my ailing father so I had temporary managers. Unfortunately, they took advantage of my absence and were somewhat thoughtless. Sadly, my dad passed away at the end of last year, so I am now back and at hand permanently. We also have some great new, keen young staff members.

All staff are required to operate according to the requirements and times below and switch off the new sound system music accordingly.

By my insistence, we DO NOT have heavy rock style (eg AC/DC) music on our sound system or heavy rock style live music and have very few other types of live entertainment.

Last year, all we had was a mellow reggae musician (May bank holiday), an Irish folk band a couple of times and a country music band early December, all finished by 10pm.

We DO NOT host karaoke parties

We DO NOT have Sky/TNT Sports and associated team chanting

We DO NOT have a pool table, dartboard, fruit machines.

Thus, a lot of the younger, more raucous crowd have gone elsewhere.

With the accolade from CAMRA, including us in The Good Beer Guide for our 7/8 real ales, our customers are older, more responsible, with families and groups of women (we're serving loads of Prosecco, flavoured gins and Aperol Spritz!) feeling comfortable to join us, as well as pet owners (we offer free pooch snacks).

I can assure you that I am making noise and behaviour a priority as it is entirely in my interest and the benefit of my business that we are all on the same side – if you're happy with how we run the pub, it's more likely that you may drop in as a valued customer so WIN-WIN!

To this end, I have entirely pulled back on the opening hours, service times and music switch off. We Do not open until 2.30pm midweek anyway and I insist that keg deliveries are made after 10am to avoid early disturbance.

Music in the garden will be off much earlier (as below, 10.30pm midweek, 11pm fri/sat). I am also using only 1 speaker in the garden and controlled volume.

There will be notices to keep noise (shouting, high pitch laughing, etc) at a minimum and to leave through the alleyway or pub quietly and with consideration of neighbours.

We will not allow smoking at the front of the pub, thus limiting noise there and cigarette/vaping litter (which I'm fed up of clearing up).

All of this will be supported with clear signage inside and outside.

There is extra CCTV at the front to monitor safe and well-ordered exits.

I'll try to give notice of future events but this is often unknown to me until nearer the time.

This is what I do know:

- Irish folk band, The Shaughrauns unplugged (no big speaker system), St Patrick's Day Tues 17th March early evening till 10. Great fun.
- A likely mellow live band either of the May Bank Holidays inside or outside mid afternoon til 8/9pm.
- Early June, The Harrier Engineers' Annual Reunion (HEAR). No music, just a lot of RAF veterans travelling from around the UK and overseas (eg the US), enjoying their memories and raising funds.
- August Bank Holiday, possible mellow live music as yet unplanned - last year we didn't have any music.
- On that August BH note, I no longer host a beer festival. People expect a huge array of ales, live music throughout the day and food trucks. Not us anymore. Too disruptive to the neighbourhood.
- Christmas/New Year – we don't usually have live music, just an open house celebration, then Auld Lang Syne, showing the fireworks and Jools Holland on the telly, but not too late!

Running this grand old dame, with its many heritage features, is a balancing act. We need to generate enough turnover for its upkeep, an operating margin to recoup our investment and family outgoings (after business rates, taxes, stock costs, utilities, staff wages etc), whilst at the same time being mindful of our neighbours who are our nearest potential customers!

You've probably noticed that we've had to stop and start this month. When closed, we have no income, but our outgoings remain constant. Your cooperation would be most welcome to get us and this revered building (1790) back on track, paying our staff and bills. Any extended closure could lead to closure, which would be a great loss.

I have revised our operating hours to benefit all of us.

Just to summarise timings:

1. To reiterate, we DO NOT plan, or ever have intended, to open until 2am regularly. My intention here was solely focused on New Year's Eve. However, even this has been pulled back whereby no-one is served after 12.45am.
2. Prior to this application, we had a licence to serve until midnight 7 days a week and close 12.30am, special occasions (non standard timings), much later, eg New Year's Eve 4am!).
3. I have pulled midweek right back such that last drinks are served 10.45pm. You may have noticed last year, we were actually closing around 10pm midweek and 12 weekends, so it hardly ever goes late.
4. Inside and garden music to be turned off much earlier (no restrictions previously).
5. Special occasions (Good Friday and Christmas Eve) limited to a typical Friday of 11.45 last orders and NYE last orders 12.45am.

I very much think that this is a workable compromise, whereby Sunday to Thursday is much dampened and we are able to generate some much needed income from people winding down at the weekend a little later, for example, after dinner at The Bombay.

Please note, Friday and Saturday last orders and music hours have been curtailed, not extended.

Please do contact me anytime to discuss these sometimes confusing licensing hours and terms or going forward, need to report any disruptions or concerns. Email noted below.

If you have not been in for a while, I'd be delighted to welcome you in to enjoy our award winning beers, unique features, vintage furniture and ephemera, sit by our welcoming log fire and simply enjoy the space and company of fellow patrons and our attentive staff. I think you'll be pleasantly surprised.

More generally, we try to help the community. We work with local sports teams for post match gatherings and fund raising (Stamford Rugby Club, Stamford youth football, Badminton and Paddle clubs). We have quiz nights raising funds for Dementia UK and various veterans' events.

More practically, we allow access through our garden up/down the steps and to Waitrose, which we keep tidy, weeded and swept for everyone's enjoyment. The alley from Scotgate and the steps have been illuminated for ease of use in the evening.

Do let us know if WE can do anything for YOU – fund raisers, celebrations, social clubs (we have an intermittent book club, board games evenings and quiz night).

Thanks for your attention and I look forward to hearing from you. Please feel free to note your acceptance on this letter and drop it in the pub or take a photo and send to me at George.sakkalli@gmail.com or confirm with Elizabeth at the licensing team. It would be immensely helpful to conclude by Monday as this will allow us to reopen as normal.

Wishing you and family a Happy New Year.

Best regards
George & The Green Man Team

I've been liaising with the police liaison officer overseeing licensing and making sure the premises are safe and they gave me great advice to keep customers, staff and local residents safe and my business compliant. Noted below is a comprehensive copy of our discussions, very much agreed, protecting our valued customers, staff and my business. Please note, just to clarify, we won't generally employ security door staff. If there's an event that may need some control, the Designated Premises Supervisor will determine, following a risk assessment, if security staff are needed. Very unlikely as we don't plan to have events that may attract such attention.

General

All staff responsible for selling alcohol that do not hold a valid personal licence, shall receive training in the Licensing Act 2003, in terms of the licensing objectives, offences committed under the Act, conditions on the Premises Licence and Challenge 25 policy. Training shall be refreshed every 6 months with written records retained for a period of no less than 12 months and be made available on request to police and authorised officers of the Licensing Authority. Records will be endorsed with details of the person providing the training, the person trained and the date.

Crime and Disorder

A CCTV system shall be installed, recording and maintained in working order and operated at the premises to the satisfaction of Lincolnshire Police, specifically:

- a. There shall be a minimum of one high resolution colour camera, fitted in a weatherproof housing, for external coverage of the entrance.
- b. There shall be a minimum of one high-resolution colour camera fitted to each public entrance/exit. To provide a quality head and shoulder image for facial recognition/identification purposes of all persons entering the premises.
- c. There shall be sufficient cameras able to cope with the normal operating illumination to reasonably cover all licensed public areas.
- d. Recordings must be kept for a minimum of 28 days and endorsed with the accurate, correct time/date (BST/GMT adjusted).
- e. Police and/or Authorised Licensing Officers shall be able on attendance to view immediate playback of any incident without the necessity for download.
- f. Recordings of incidents at the premises must be provided to the police following lawful request.
- g. A member of staff shall be on the premises at all times they are open to the public who is capable of operating the CCTV system and providing recordings on request. When this is not possible recordings shall be provided within 24 hours of the original request.
- h. Recording equipment shall be housed in a secure room/cabinet where access and operation is strictly limited to authorised persons.
- i. All equipment shall have constant time/date generation, which must be checked for accuracy on a daily basis.
- j. In the event of a system malfunction, the Designated Premises Supervisor or the Premises Licence Holder must immediately record details of this malfunction in the premises refusals/incident book. Arrangements for its repair must be made without delay.

SIA registered door staff shall be employed at the premises in accordance with a risk assessment, to be carried out by the DPS or licence holder.

This risk assessment will be kept on the premises at all times and presented to any requesting licensing authority upon their request.

On any occasion when door staff are employed the following will apply :There shall be provided and kept at the premises a bound and sequentially numbered book or electronic record to record details of every person employed on the premises as a door supervisor. The record shall contain the following details:

- The door supervisor's name;
- His/her/their Security Industry Authority Licence Number;
- The time and date he/she/they commenced and concluded their duty;
- The door supervisors shall sign each entry.

- The log to be inspected daily and signed by a member of the management team.
- The log to be retained for a period of no less than 12 months and made available to Lincolnshire police for inspection upon request.

Public Safety

Patrons shall not be allowed to enter or leave the curtilage of the premises whilst in the possession of any alcohol drink in unsealed containers. For the purpose of clarity, this means any alcohol leaving the premises includes leaving for any reason whether temporarily or otherwise. The only exemption being consumption in an outside area of the premises provided for that purpose.

Staff employed will take all necessary measures to ensure glassware is not removed from the premises by patrons.

An incident record shall be kept at the premises (either electronically or in writing) in which details of crime and/or disorder relating to the premises shall be recorded. The incident record shall be retained for a period of 12 months from date of completion and contain the following details:

- a. Time, date and location of incident;
- b. Nature of the incident;
- c. Names, addresses and contact details of persons involved if known or description if it is impractical to gain these details;
- d. The result of the incident;
- e. Action taken to prevent further such incidents; and
- f. Each entry signed by the DPS or other responsible person employed at the premises and so authorised by the DPS.

A refusals record shall be kept at the premises (either electronically or in writing) in which details of any alcohol refusals relating to the premises shall be recorded. The refusal record shall be retained for a period of 12 months from date of completion and contain the following details:

- a. Time, date and location of refusal;
- b. Reason for refusal;
- c. Result of the refusal;
- d. Each entry signed by the DPS or other responsible person employed at the premises and so authorised by the DPS.

Public Nuisance

All external windows and doors must be kept shut at all times regulated entertainment is being provided. Doors may be opened for normal entrances and egress of people but must be shut immediately thereafter.

Clear and legible notices must be prominently displayed at all exits requesting customers to respect local residents and leave the area quietly.

Regular assessments of noise will be carried out by the person in charge of the premises, to ensure it does not go beyond a reasonable level that would cause nuisance to local residents.

Protection of Children from Harm

The premises shall operate the "Challenge 25" Proof of Age Policy to prevent the sale or supply of alcohol to persons under 18 years of age. The policy shall require any person who appears to be under the age of 25 years to produce one of the following forms of identification:

A recognised proof of age card credited under the British Retail Consortiums Proof of Age Standards Scheme. Photo driving licence; Passport.

Notices shall be prominently displayed advising customers of the "Challenge 25" policy,

All under 18's on the premises must be accompanied by a responsible adult.
