CABINET FORWARD PLAN
Notice of decisions to be made by Cabinet
27 February 2023 to 26 February 2024

At its meetings, the Cabinet may make Key Decisions and Non-Key Decisions. It may also make recommendations to Council on matters relating to the Council's budget or its policy framework.

A Key Decision is a Cabinet decision that is likely:

1. To result in the District Council incurring expenditure which is, or the making of savings which are, significant having regard to the District Council's budget for the service or function to which the decision relates (for these purposes, South Kesteven District Council has agreed £200,000 as the threshold at which a decision will be considered significant); or
2. To be significant in terms of its effects on communities that live or work in an area comprising two or more wards.

A Non-Key Decision is one that is not a Key Decision.

The Forward Plan

The Cabinet Forward Plan is a rolling, 12-month plan that will be updated on a regular basis. It includes those Key Decisions that are scheduled to be considered by Cabinet during the plan period. This plan also includes items that are considered by Cabinet prior to a potential recommendation to full Council.
