CABINET FORWARD PLAN
Notice of decisions to be made by Cabinet
9 August 2023 to 8 August 2024

At its meetings, the Cabinet may make Key Decisions and Non-Key Decisions. It may also make recommendations to Council on matters relating to the Council's budget or its policy framework.

A Key Decision is a Cabinet decision that is likely:

1. To result in the District Council incurring expenditure which is, or the making of savings which are, significant having regard to the District Council's budget for the service or function to which the decision relates (for these purposes, South Kesteven District Council has agreed £200,000 as the threshold at which a decision will be considered significant); or
2. To be significant in terms of its effects on communities that live or work in an area comprising two or more wards.

The Forward Plan

The Cabinet Forward Plan is a rolling, 12-month plan that will be updated on a regular basis. It includes those Key Decisions and Non-Key Decisions that are scheduled to be considered by Cabinet during the plan period.
