### SUMMARY

This report highlights any matters referred to the Cabinet by the Council or the Council's overview and scrutiny committees since the Cabinet's last meeting on 12 April 2018, as set out in Appendices A to F.

## **RECOMMENDATION**

It is recommended that the Cabinet notes the contents of the report.

### **1. BACKGROUND TO REPORT**

- 1.1** Under the Executive decision-making arrangements introduced as part of the Local Government Act 2000, Councils were required to create at least one scrutiny committee.
- 1.2** South Kesteven District Council currently has five overview and scrutiny committees that hold ordinary meetings every two months to discuss items within their remit. Additional meetings may be called if and when they are required.
- 1.3** Scrutiny Committees may not make decisions but can influence them by carrying out policy development work or reviewing decisions once they have been made. They can exercise their influence by making recommendations to the Cabinet.
- 1.4** The recommendations made by the overview and scrutiny committees to Cabinet are listed in Appendices A to F, together with an overview of the topics discussed during the committees' meetings.
- 1.5** Where an overview and scrutiny committee meets after the publication of this Cabinet agenda, where there is an outstanding recommendation related to the Cabinet meeting, an addendum will be provided at the meeting of the Cabinet, otherwise the synopsis of that meeting will be circulated with the agenda for the next Cabinet meeting.
- 1.6** Since the last meeting of the Cabinet no items have been referred to it by full Council.

### **2. OTHER OPTIONS CONSIDERED**

- 2.1** This report has been introduced as a standing item on the agenda for meetings of the Cabinet. No other options were considered.

### **3. RESOURCE IMPLICATIONS**

- 3.1** There are no resource implications arising from this report.

### **4. RISK AND MITIGATION**

- 4.1** Risk has been considered as part of this report and no specific high risks were identified in its production.

**5. ISSUES ARISING FROM IMPACT ANALYSIS (EQUALITY, SAFEGUARDING etc.)**

- 5.1** This report draws together the recommendations that have been made by all of the Council's overview and scrutiny committees. Where appropriate, impact analysis will be carried out as part of the development process and presented to Cabinet when it receives the final report on a topic.
