

Customer Services Survey - Market Deeping July 2020

Introduction

South Kesteven District Council wants to continue to provide access to a wide range of services for local people and has worked hard to ensure that this has been maintained throughout the Covid-19 pandemic.

As we are now starting to see what a “new normal” may look like, we think the time is right to re-visit the proposal that had been put forward in respect of the service provided to our customers from the Deepings Community Centre in Market Deeping.

The council has listened to what you have already said about how you contact us and what is important to you, and has drawn up a proposal which responds to your comments and concerns; whilst also reflecting the new way of working which has been in place for our customers for just over four months.

Given that everyone has experienced many changes in the way they are now living, working and interacting with the outside world, we would not want to assume that your views have remained the same, and would welcome your feedback once more. Please help us by completing this survey and telling us what you think.

The deadline for responses is 3 August 2020 .

Thank you.
