

CHARTER AGAINST MODERN SLAVERY AND HUMAN TRAFFICKING

The Safer Lincolnshire Partnership's Charter against Modern Slavery and Human Trafficking commits organisations to proactively take steps internally to tackle the issue; whilst at the same time ensuring that they are contributing to the wider collective effort to protect communities across Lincolnshire.

(Your Organisation) will:

1. Attend and actively contribute to the Safer Lincolnshire Partnership core priority group to ensure that the objectives of the group, as set out in the Safer Lincolnshire Partnership Modern Slavery delivery plan, are met.
2. Identify staff who require training in awareness, identification and action to be taken related to suspicion or disclosures of Modern Slavery taking into account the different competence requirements of particular roles.
3. Have an effective Modern Slavery policy or procedure in place detailing how to respond to suspicion or disclosures of Modern Slavery. This will include the process for notifying Lincolnshire Police & onward action as per the Lincolnshire multi-agency Modern Slavery process.
4. Have a process for escalating concerns related to Modern Slavery where appropriate action is believed not to have occurred to protect victims of Modern Slavery.
5. Ensure information about Modern Slavery is included on its website with links to the national Victim Care Contract prime provider as well as the Modern Slavery helpline.
6. Ensure Modern Slavery resources are displayed, in different languages where relevant to local communities and are also available in alternative formats such as large print upon request.
7. Report publicly on the implementation of this Charter annually.
