### Recommendation to the decision maker

**It is recommended that the Governance and Audit Committee reviews the draft Statement of Accounts 2020/21 prior to the commencement of the external audit.**

## **1 The Background to the Report**

- 1.1 A draft copy of the 2020/21 Statement of Accounts is now available for review by this Committee prior to the completion of the audit process and is attached to this report at Appendix 1.
- 1.2 In accordance with the Accounts and Audit (Coronavirus) Amendments Regulations 2021, the statutory deadline for completing the 2020/21 audit and publishing the final accounts is 30 September 2021.
- 1.3 The proposed public inspection period will begin on 3 August 2021 and will continue until 13 September 2021. During this time members of the public can exercise their right to inspect the accounts. A notice to that effect is published on the Council's website.
- 1.4 Following completion of the audit, the final accounts will be presented to this Committee together with the audit opinion.
- 1.5 The Narrative Report section of the Statement of Accounts provides a guide to the most significant matters reported. It explains the Council's financial position and assists in the interpretation of the accounting statements. It provides information about the district, including issues and challenges affecting the Council and its accounts, the political composition, the ambitions of the Council and an overview of the many achievements that have been made to improve the quality of life of the residents, businesses and visitors.
- 1.6 The Council is required to produce an Annual Governance Statement (AGS) in accordance with the CIPFA/SOLACE framework "Delivering Good Governance in Local Government" in order to meet the statutory requirement set out in Regulation 6 of the Accounts and Audit Regulations 2015. The statement is an open and transparent review of the effectiveness of the Council's system of governance, risk management and internal control, including performance across all its activities.
- 1.7 Members are asked to ensure that the AGS for 2020/21 is an open and transparent reflection of the governance arrangements for that financial year. The AGS forms part of the annual accounts and is reviewed by External Audit.
- 1.8 Group Accounts have been prepared to reflect the Council's relationship with Gravitas and will be incorporated into the final Statement of Accounts. Due to materiality thresholds, it is not a requirement to include the other Council owned companies in the group accounts.
- 1.9 As the audit progresses there may be further amendments which will be incorporated into the accounts. The Committee will be informed of any changes when the final accounts are presented for their approval.
