Min no	Agenda item	Action	Assigned to	Status	Outcome
65	Community Awards 2021/22	For the Community Engagement Manager to explore the Community Award categories and consider breaking down one category into two: 'Best School Project' and 'Environmental Project'.	Community Engagement Manager	Completed	The categories for the Community Awards had already been listed in SK Today which had gone to print at the time of the meeting of Rural and Communities OSC so, for this year, we were unable to make the changes suggested. We will, however, review the categories prior to any announcement for next year's awards as a result of this suggestion and any feedback we receive during the 2022 Awards.
