

## SOUTH KESTEVEN DISTRICT COUNCIL

### Agreement to a Private Meeting in Fewer than 28 Days' Notice

In accordance with the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 and Paragraph 13.2 of the Council's Access to Information Procedure Rules, notice is hereby given of a Private Meeting of Cabinet for which 28 clear days' notice has not been given.

<b>Decision title:</b>	Relocation of the Customer Services Centre to St. Catherine's Road Grantham
<b>Summary of decision to be taken:</b>	The report sets out the details for the proposed development of a Customer Services Hub at the Picture House at St Catherine's Road, Grantham.
<b>Decision-maker:</b>	Cabinet
<b>Exempt Information:</b>	Appendix A to the report is not for publication by virtue of paragraph 3 of Part 1 of Schedule 12A of the Local Government Act 1972.
<b>Reason for non-deferral:</b>	<p>It is key that this report be heard in time to be included in the Budget report for March Council which is on 1 March – prior to the next available meeting of Cabinet. If the report went to the June meeting of Council works wouldn't be able to begin until September at the earliest.</p> <p>There are commercial sensitivities regarding costs and potential partnership companies; therefore the third party organisation requested this information be heard in private. This request was received after the 28 day period prior to the meeting had been entered into.</p> <p>The information cannot be disclosed in a public meeting, until agreements and approvals have been made by the third party organisation.</p> <p>This notice only applies to additional exempt information, 28 days' notice of the decision itself had been given.</p>
