Location Key Plan
(NTS)

203 UB to Channel Connection Detail
(1:10)

Area B Remedial Works
(1:20)

Rev	Description	Drn	Vfd	Date
P2	New to existing concrete connection detail added, moved existing electrical box.	GT	PEJ	05/10/2023
P1	Initial issue for review/comment	GT	PEJ	29/09/2023

As outlined in section 2.3 of the CIB Industry Guidance to Designers, insignificant risks can usually be ignored, as can risks arising from routine construction activities, unless the design compounds or significantly alters these risks. In accordance with CDM Regulations 8, 9 and 11, any significant risks relating to the design features shown on this drawing have been identified and annotated thus: ■

No significant risks identified
 Significant risks have been identified - refer to notes on drawing for information on residual risks and any control measures to be employed.

Refer to the current Designers Risk Assessment sheets for further details.
