## 1. Implications

Taking into consideration implications relating to finance and procurement, legal and governance, risk and mitigation, health and safety, diversity and inclusion, safeguarding, staffing, community safety, mental health and wellbeing and the impact on the Council's declaration of a climate change emergency, the following implications have been identified:

### ***Finance***

- 1.1 Approval of the additional £150k management fee will ensure LeisureSK Limited can meet its cashflow requirements in January. The cost of the additional management fee can be funded from the Swimming Pool Support Grant which the Council received in November 2023. However, it should be noted that this grant is currently being used to offset the Council's forecast budget deficit. An alternative funding source is the use of the Council's Local Priorities Reserve.

Completed by: Richard Wyles, Deputy Chief Executive and s151 Officer

### ***Legal and Governance***

- 1.2 There are no significant legal or governance implications arising from this report. Cabinet is requested to determine approval of a management fee further to a request by LeisureSK Limited.

Completed by: Graham Watts, Assistant Director (Governance and Public Protection) and Monitoring Officer

## 2. Background to the Report

- 2.1 Leisure SK Limited presented a report to the Culture and Leisure Overview and Scrutiny Committee (OSC) on 30<sup>th</sup> November which confirmed there was a management fee requirement of £738,942 ([LeisureSK Ltd Management Fee Request 2024 2025 Report.pdf \(southkesteven.gov.uk\)](#)) for the current financial year (which is partly offset by the approved £500k fee). This projected deficit has since

Increased to £772,949 and was included in the latest report to the OSC presented on 9 January 2024.

2.2 The drivers for this management fee shortfall have been reported to the OSC. They are primarily due to the impact of utility costs, the amount of irrecoverable VAT, software and professional fees and minimum wage increases.

2.3 A formal written request has been received from the Chair of LeisureSK Limited, for an additional £273k Management Fee to satisfy the company's financial commitments and cashflow requirements to the end of the current financial year.

2.4 However, due to cash flow constraints, £150k of this has been identified as an urgent requirement predominantly to meet the company's payroll liabilities for January. A full breakdown of the payroll and supplier costs, together with the company's anticipated income, up to the end of January 2024 is provided below:

Salary costs -	£120k
Payroll related costs -	£24k
(mainly tax and NI payments)	
Supplier payment -	£302k
(including utilities £155k and insurance £55k)	
<b>Total expenditure -</b>	<b>£446k</b>
Income –	£240k
Bank balance	£60k
<b>Total income -</b>	<b>£300k</b>
<b>Deficit –</b>	<b>£146k</b>

2.5 The report confirms the additional funding request is £273k, however £150k is being requested as an urgent item which leaves a balance of £123k. This balance is part of a budget amendment report which features elsewhere on the Cabinet agenda.

2.6 The funding options available for this additional fee include potentially allocating the Government's Swimming Pool Fund which was approved by Cabinet in November 2023. However, the receipt of this grant is currently being used towards the balancing of the Council's revenue General Fund and thereby reducing the need to use the Council's Budget Stabilisation Reserve. If this grant is used to fund the additional fee, then it is increasingly likely the Budget Stabilisation Reserve will be required to achieve a balanced position for the financial year.

### **3. Other Options Considered**

3.1 The Council could choose not to approve the increased management fee request. However, this would mean LeisureSK Limited would not be able to meet its cashflow requirements which would result in centres facing immediate closure.

### **4. Reasons for the Recommendations**

4.1 To ensure LeisureSK Limited can meet its cashflow requirements in January 2024.

### **5. Consultation**

5.1 Reports were presented to the Culture and Leisure Overview and Scrutiny Committee on 30 November 2023 and 9 January 2024. Both detailed the increased deficit the company are projecting for 2023/2024.
