There shall be a minimum of one high-resolution colour camera fitted to the public entrance/exit to provide a quality head and shoulder image for facial recognition/identification purposes of all persons entering the premises.

The opening hours are not in unsocial time creating an environment that controls nuisance by training staff to increase their awareness so they can assess potential risks and work towards minimising possible disturbances.

We have put high resolution cameras (1080) in place.

All the staff members are trained again about alcohol sales.

Notices shall be prominently displayed advising customers of the "Challenge 25" policy.
