I am a police officer for Lincolnshire police and am currently stationed at Grantham Police station in the Response Investigation Team.

I was allocated an investigation where the reporting person to Lincolnshire police stated that on 29th December 2024 at Zorbas, Broad Street, Stamford she was sexually assaulted.

On 1st February 2025 i made contact with Zorbas to enquire about any CCTV that they have with an understanding that there may be possibility that there will no longer be any CCTV footage due to the time period

On speaking with a male who identified himself as being Caner KAYA from Zorbas he stated that the CCTV only lasts for 21 days and that he looked on the CCTV system and there was no footage.

I did not liaise with the Licence holder Seyit Ali Dogan . I made contact by telephone on the one occasion on 1st February 2025.

Potentially the impact on not having the CCTV being kept for the 28 days would be identifying any potential suspects and thus preventing any further offences being committed against other victims
