1. Implications

Finance and Procurement

Legal and Governance

- 1.2 This is an application for a new premises licence under S17 of the Licensing Act 2003. The committee should consider whether the application is likely to impact on the promotion of the licensing objectives. In reaching the decision the Committee should consider, the steps that are appropriate to promote the licensing objectives, the representation (including supporting information) presented by the parties, the guidance issued under S182 of the Licensing Act 2003 and the Councils own statement of licensing policy.

Is an Equality Impact Assessment required? No

Community Safety

- 1.3 Community Safety implications will be considered in accordance with the licensing objectives and the duty to consider in accordance with S17 of the Crime and Disorder Act 1998

2. Background to the Report

- 2.1 The premise previously benefitted from an alcohol off sale licence under the name 'Max Off Licence', from 10/04/2019 to 30/05/2024. This licence was revoked by the Alcohol, Entertainment and Late-Night Refreshment Licensing Committee on 16th June 2023, following a review application being submitted by Lincolnshire Police.
- 2.2 This review included evidence of several instances of underage sales and non-compliance of licence conditions. Licensing Committee concluded that the Licence holder was unable to prove they were an appropriate person to hold such a licence. A copy of the report, appendices, decision notice and minutes of that meeting are included as a link in Background Papers.
- 2.3 The applicant appealed this decision (thereby allowing them to continue licensable activities whilst in the appeal stages). The appeal was subsequently withdrawn via a consent order, and therefore the revocation of the premise licence took effect on 30th May 2024.
- 2.4 On 6th December 2024 an application for a new premise licence to be held by a Ramyar Sabah Salih at this location called 'Ramin Off Licence' was refused at licensing committee, following a representation by Lincolnshire Police. The reasons for these included concerns about the management experience of running a licensed premises and the applicant being unable to dispute any claims that the previous licence holder was still not involved in the running of the business. A copy of that initial application, police representation, published minutes and decision notice of that meeting have been included as part of Appendix 2.
- 2.5 On 19th May 2025 an application was accepted by the Licensing team for a new premise licence, again under the 'Ramin Off Licence' name (**Appendix 1**).
- 2.6 This application is to licence the premises for the following –
- **The Sale of Alcohol off the premises** Monday to Sunday 07:00 to 23:00
 - **Opening hours** Monday to Sunday 07:00 to 23:00
- 2.7 This licence is to be held by Ramin Off Licence Ltd, of which Ramyar Sabah Salih is the sole director and therefore the same applicant as referred to in 2.4. The application was processed and forwarded to all the responsible authorities. Statutory consultation and advertising were undertaken, with the consultation period of 28 days expiring on 16th June 2025.

3. Key Considerations

- 3.1 Each application to be determined on its own merits
- 3.2 During the consultation period the authority received one representation, this was from Lincolnshire Police (**Appendix 2**), the reasons for the representation include the following
- Noted increase in the off-sale of alcohol hours than what was previously requested or licensed, with no increased mitigation for such hours

- Insufficient conditions offered under the operating schedule given the history of the premises
 - Concerns regarding the previous premises licence holder still having a connection with the running of the premises and not the new applicant
 - Ongoing concerns in the applicants understanding of the licensing objectives and what is expected in them as a responsible premise licence holder
- 3.3 No other representations were received.
- 3.4 Licensing Officers have the delegated authority to decide whether a representation is relevant, vexatious, or frivolous however, Section 9 of the Revised Guidance issued under section 182 of the Licensing Act 2003 states:
- 9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The Subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.***
- 3.5 It was not felt that the representation submitted by Lincolnshire Police fell within the delegated authority.
- 3.6 Where relevant representations are made, the authority must:
- i. Hold a hearing to consider them, unless the authority, the applicant and each person who has made such representation agree that a hearing is unnecessary, and
 - ii. Having regard to the representations, take such steps mentioned below (if any) as it considers necessary for the promotion of the licensing objectives. The steps are:
 - iii. Grant the application subject to conditions that are consistent with the operating schedule modified to the extent that the committee considered appropriate for the promotion of the licensing objectives and any mandatory conditions that must be included under the Licensing Act 2003.
 - iv. Exclude from the scope of the licence a licensable activity to which the application relates.
 - v. Refuse to specify a person in the licence as a Premises Supervisor. (DPS)
 - vi. Reject the whole or part of the application.

4. Reasons for the Recommendations

- 4.1 The licensing authority should give appropriate weight to;
- ❖ The steps that are appropriate to promote the licensing objectives.
 - ❖ The representation (including supporting information) presented by the parties.
 - ❖ The guidance issued under section 182 of the Licensing Act 2003.
 - ❖ South Kesteven District Councils Licensing Policy.
- 4.2 The guidance issued under Section 182 of the Licensing Act 2003 states at 9.37 that;

“As a matter of practice, Licensing Authorities should seek to focus the hearing on the steps considered appropriate to promote the particular licensing objective or objectives that have given rise to the specific representation and avoid straying into undisputed areas. A responsible authority or other person may choose to rely on their written representation.

They may not add further representations to those disclosed to the applicant prior to the hearing, but they may expand on their existing representation and should be allowed sufficient time to do so, within reasonable and practical time limits.”

5. Consultation

- 5.1 Statutory 28 day consultation has taken place from 19th May 2025 until 16th June 2025. During this time one representation was received from Lincolnshire Police.
