## 2. Background to the Report

2.1 On 1<sup>st</sup> July 2025 an application was received to the licensing authority for a new premises licence at the above location (**Appendix 1**)

2.2 The application is to licence the premises for the following –

- **The Provision of Fims indoors;** Monday to Thursday and Sundays 09:00 to 23:00, Friday and Saturdays 09:00 to 00:00
- **The Provision of Live Music and Recorded Music indoors and outdoors;** Friday and Saturdays 23:00 to 00:00 (Christmas day/New years day until 01:00)
- **The Sale of Alcohol on and off the premises;** Monday to Thursday and Sundays 09:00 to 23:00, Friday and Saturdays 09:00 to 00:00 (Christmas day/New year's day until 01:00)

2.3 The Premise benefits from a Club Premises Certificate, which has been in place since it transitioned over in 2005. This allows licensable activities to club members and their guests for the following activities and times:  
**Supply of alcohol on the premises;** Monday to Saturday 11:00 to 23:00 and Sundays 12:00 to 22:30. With new years eve into new years day extensions.

## 3. Key Considerations

3.2 Each application to be determined on its own merits

3.2 During the consultation period the authority received one representation from a member of the public (**Appendix 2**). The reasons for the representation include concerns regarding potential noise disturbance from late night events, if these are to be held on a frequent basis.

3.3 A location plan showing the proximity to residential areas has been included to aide members (**Appendix 3**)

3.4 There has been one recorded incident of a noise complaint against the premise, found on record from May 2013. This appeared to be from a neighbour who complained that noise from people shouting and revving their cars after a private function was disturbing them. A letter was sent to the premises, but no follow up response or complaints appear to have been made

3.5 Correspondence between the applicant and the resident who made a representation is included at **Appendix 4**

3.6 The applicant has agreed to include a condition that no regulated entertainment will take place in any outdoor area past 21:00

3.7 The applicant has agreed with the Police to extend their opening hours by a 30-minute period, to allow for sufficient drinking up time. This will mean new opening hours of Monday to Thursday and Sundays 09:00 to 23:30 and Friday and Saturdays 09:00 to 00:30 (Christmas day/New year's day until 01:30)

3.8 Licensing Officers have the delegated authority to decide whether a representation is relevant, vexatious, or frivolous however, Section 9 of the Revised Guidance issued under section 182 of the Licensing Act 2003 states:

***9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The Subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.***

3.9 It was felt that the representation at Appendix 2 did not fall within the delegated authority.

3.10 Where relevant representations are made, the authority must:

- i. Hold a hearing to consider them, unless the authority, the applicant and each person who has made such representation agree that a hearing is unnecessary, and
- ii. Having regard to the representations, take such steps mentioned below (if any) as it considers necessary for the promotion of the licensing objectives. The steps are:
- iii. Grant the application subject to conditions that are consistent with the operating schedule modified to the extent that the committee considered appropriate for the promotion of the licensing objectives and any mandatory conditions that must be included under the Licensing Act 2003.
- iv. Exclude from the scope of the licence a licensable activity to which the application relates.
- v. Refuse to specify a person in the licence as a Premises Supervisor. (DPS)
- vi. Reject the whole or part of the application.

#### **4. Reasons for the Recommendations**

4.1 The licensing authority should give appropriate weight to;

- ❖ The steps that are appropriate to promote the licensing objectives.
- ❖ The representation (including supporting information) presented by the parties.
- ❖ The guidance issued under section 182 of the Licensing Act 2003.
- ❖ South Kesteven District Councils Licensing Policy.

4.2 The guidance issued under Section 182 of the Licensing Act 2003 states at 9.37 that;

“As a matter of practice, Licensing Authorities should seek to focus the hearing on the steps considered appropriate to promote the particular licensing objective or objectives that have given rise to the specific representation and avoid straying into undisputed areas. A responsible authority or other person may choose to rely on their written representation.

They may not add further representations to those disclosed to the applicant prior to the hearing, but they may expand on their existing representation and should be allowed sufficient time to do so, within reasonable and practical time limits.”

## **5. Consultation**

5.1 Statutory 28-day consultation has taken place from 1<sup>st</sup> July 2025 until 29<sup>th</sup> July 2025. During this time one representation from a member of the public was received. None of the responsible authorities objected.
