## **2. Background to the Report**

- 2.1 The Council's Corporate Plan 2024-27 sets out the key priorities for the Council and its leisure service. Providing a high-quality sustainable leisure offer helps support the Council's corporate ambitions and provides opportunities for improved health and wellbeing outcomes for local communities.
- 2.2 The Council entered a new 10-year agency agreement with LeisureSK Ltd on 1 April 2025 which includes a refreshed suite of key performance indicators (KPI's). The Council's leisure contract with LeisureSK Ltd focusses on embedding an approach that seeks to continuously improve service delivery and customer experience.
- 2.3 Previously the Council's Culture and Leisure Overview and Scrutiny Committee have received operational and financial performance updates directly from LeisureSK Ltd. This report will therefore focus solely on the Company's performance against the KPI's embedded within the Leisure Services Specification.

2.4. During year one of the contract with LeisureSK Ltd, baseline data will be collected to measure the performance of the company against across the remainder of the contract period. Therefore, the information provided in **Appendix One** is the baseline contract data collected during quarter one (Q1) of the current financial year.

2.5. Council Officers continue to undertake regular monitoring visits across each of the leisure facilities. These focus on the customer experience journey whilst ensuring that the delivery of the service is aligned with the performance requirements set out in the Leisure Services Specification.

2.6. During the period April to June 2025 a total of 12 monitoring visits were carried out by the Council's Leisure Team, covering the three leisure facilities and the stadium in Grantham.
