The Localism Act 2011 requires the Council produces an Annual Pay Policy Statement to summarise current policies and arrangements relating to pay. The Pay Policy Statement is part of the budget setting and approval process which will be presented to Council.

1. Implications

Taking into consideration implications relating to finance and procurement, legal and governance, risk and mitigation, health and safety, diversity and inclusion, safeguarding, staffing, community safety, mental health and wellbeing and the impact on the Council's declaration of a climate change emergency, the following implications have been identified:

Finance and Procurement

- 1.1 The financial considerations of the Pay Policy Statement will be presented to Council for approval on 29 January 2025 and will be incorporated into the budget setting proposals for 2026/27. Employee costs are the largest financial element of the budget, and it is important that salary budgets and staffing resourcing requirements are kept under regular review.

Completed by: David Scott – Assistant Director of Finance and Deputy s151 Officer.

Legal and Governance

- 1.2 Article 11 of the Council's Constitution, which sets out the remit of the Employment Committee, states one of its functions is the review of the annual Pay Policy Statement and recommending it to Council for approval. The Council is required to produce and publish a Pay Policy Statement each financial year under Sections 38-39 of the Localism Act 2011. The Council must have regard to guidance issued by the Secretary of State under Section 40 of the Localism Act 2011.

Completed by: James Welbourn, Democratic Services Manager

2. Background to the Report

- 2.1 The Council's Pay Policy Statement is reviewed annually to ensure that it accurately reflects the Council's position and is aligned with the outcomes and objectives of the Council's Corporate Plan. The 2025/26 Pay Policy Statement was presented to Full Council on 30 January 2025.
- 2.2 A review of the Pay Policy Statement has been carried out to ensure compliance with the Localism Act 2011.
- 2.3 The key changes include the updating of the posts in scope under the definition of officers covered by the Pay Policy Statement (paragraph 3).

- 2.4 The Pay Policy Statement refers to the collective agreement that the Council has in place for local cost of living pay awards and the fact that these pay awards are determined locally, for all staff, based on this agreement.
- 2.5 The Pay Policy Statement details:
- The Council's decision to adopt the Real Living Wage in March 2021.
 - The pay increase arrangements for our lowest grade and a number of other lower grades which are impacted by the Real Living Wage increase.
 - These pay increases are an alternative (and not in addition to) to the annual cost of living pay award.
- 2.6 A review of pay and reward arrangements was completed during the year 2023/24. This included:
- The development of a career development policy
 - Implementation of the 2024 real living wage rate for all eligible employees as part of our commitment to fair compensation.
 - The development of a revised job evaluation procedure and market supplement procedure
- 2.7 A standby and call out policy was implemented during 2023/24. This policy sets out a separation of 'on-call' and 'standby' to recognise the difference and ensure a clearly defined compensation structure.

3. Key Considerations

- 3.1. It is a legal requirement that the Council publishes an annual Pay Policy Statement and no other options have been considered

4. Reasons for the Recommendations

- 4.1. The reason for the recommendation is to satisfy a legislative requirement.
- 4.2. Alternative approaches to the content of the pay policy have been considered but this version is deemed most suitable because it aligns to the Council's pay structure, local agreements and regulatory standards.

5. Consultation

- 5.1. Consultation has taken place with the Trade Union
