

## Licensing Act 2003

### Decision Notice for Review of Premises Licence

Date of Hearing	10 October 2025
Members of Panel	Councillor Jim Snee (Chair) Councillor Maureen Palmer Councillor Stephen Bunney

Applicant(s) Name	Chief Constable of Lincolnshire Police
Date of Application	23 July 2025
Premises Licence Holder's Name	Grantham Curry Pot Ltd
Premises Address	Today's Extra – 2 Horsemarket, Caistor, Market Rasen, Lincolnshire, LN7 6UP
Details of Application	Application for Review of Premises Licence under section 51 of the Licensing Act 2003  Relevant Licensing Activities: Supply of Alcohol (off Sales)

#### RESOLVED

that the premises licence for Today's Extra be **REVOKED**

#### REASON

Having heard all the evidence presented on behalf of the applicant and on behalf of the licence holder, the decision of all three members unanimously is to revoke the premises licence in relation to the premises known as Today's Extra located in Caistor, Lincolnshire.

We have heard evidence of a number of issues at the premises, such as concerns over illegal workers and breaches of licence conditions. These are serious issues, which are of significant concern. The issues have been repetitive and despite the police trying to work with the licence holder over a significant period of time, the issues have continued and have not been

rectified by the licence holder. This is despite various visits by the Police to the premises between September 2024 and July 2025.

We have heard evidence that the licence holder has substantial experience and knowledge in respect of the running of licenced premises across the country; however, despite this experience and knowledge, the issues have continued. This does not give the committee any confidence that the licence holder will ensure the issues do not occur again in the future or that any of the changes will be properly implemented.

The committee has been informed of issues in relation to other premises owned by the same licence holder and we feel bound to consider these as relevant. They show a much wider problem and, again, do not give the committee any confidence that the licence holder has the ability to uphold the licensing objectives moving forwards.

It is for these reasons that the committee feel that the licence holder has failed to uphold the licensing objectives; specifically, the crime and disorder objective. As such, the committee is unanimously of the view that revocation is necessary.

This Notice will be formally sent to you in writing, and upon receipt of that written notice you have 21 days on which to appeal to the Magistrates Court

#### **Right of Appeal**

1. All parties were reminded of the right to appeal the above decision to the Magistrates Court within 21 days of being notified.

Further to the information supplied relating to the other Today's Stamford shop that is also under review, and Today's Caistor which has had its licence revoked on the 10<sup>th</sup> October 2025 (currently under appeal), Lincolnshire Police would like to highlight that Mr Kalamohan and his employees have been subject to other licensing hearings nationally. This list is not exhaustive and does not solely relate to reviews but displays that Mr Kalamohan should have better knowledge of the Licensing Act and the responsibilities he has as a business owner, licence holder and designated premises supervisor.
