Purpose of Report

Committee to determine an application to vary a Sexual Entertainment Venue Licence. This follows an earlier report (ENV935) presented to the committee as a license renewal for this business. The purpose of this report is to consider the variation in operating hours as a sexual entertainment venue.

Recommendations

Committee to decide whether to ratify the previous decision in respect of the application to vary a Sexual Entertainment Venue Licence in accordance with Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 (as amended by the Policing and Crime Act 2009).

When determining the application, the Committee shall have regard to: -

- The authority's sex establishment procedures
- The Humans Rights Act
- SKDC's regulations prescribing standard conditions (**appendix 1**)
- Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 (LGMPA 1982)

Decision Information

Does the report contain any exempt or confidential information not for publication? No

What are the relevant corporate priorities? Connecting Communities & Effective Council

Which wards are impacted? All

1. Implications

Taking into consideration implications relating to finance and procurement, legal and governance, risk and mitigation, health and safety, diversity and inclusion, staffing, community safety, mental health and wellbeing and the impact on the Council's declaration of a climate change emergency, the following implications have been identified:

Finance and Procurement

- 1.1 There are no specific financial implication associated with this report, however, in the event of an applicant, responsible authority or interested person making an appeal against a decision which was then subsequently upheld, the council may incur additional costs.

Legal and Governance

- 1.2 The grant, renewal and transfer of licences for sex establishments are governed by the LGMPA as amended by the Policing & Crime Act 2009. The Committee should consider any representations from the Chief Officer of Police or any other person who objects to the application and has submitted a representation in writing. The proper grounds for considering the application are found within the body of the report. The decision to grant or refuse the licence must be reasonable and proportionate and made in accordance with the attached sex establishment procedures. Any refusal must be supported by evidence that the statutory grounds for refusal are met and full reasons must be given to the applicant.

Community Safety

- 1.3 Community Safety implications will be considered in accordance with the licensing objectives and the duty to consider in accordance with S17 of the Crime and Disorder Act 1998

2. Background to the Report

- 2.1 The Policing and Crime Act 2009 amends Schedule 3 of the LGMPA 1982 to permit the Licensing Authority to license sex establishments.
- 2.2 In accordance with the Authority's procedures, all applications relating to sexual entertainment venues, with the exception of uncontested transfer applications, will be heard by the Licensing Committee.
- 2.3 On 27th March 2026 an application was received by the Licensing Authority to vary and renew the existing Sexual Entertainment Venue Licence for Lolas Lounge, 99a Westgate, Grantham (**appendix 2**). This application was presented to committee on the 19th May as a renewal. It is therefore appropriate to present this report for further consideration with a view to ratifying the previous committee decision. The variation in operating hours proposes a change from Monday to Sunday 09:00-04:15 to Monday to Sunday 09:00-05:15. NB: the business already has an alcohol and entertainment license operating through to 05:15, with the business closing at 05:30.
- 2.4 A sex establishment means any premises, vessel or stall where relevant entertainment is provided before a live audience for the financial gain of the organiser or entertainer.
- 2.5 The applicant has run a sexual entertainment venue at this premises since 2025.
- 2.6 There have been no objections from the police – the only responsible authority required to be served with a copy of the application under Schedule 3, paragraph 10 (14) of the LGMPA 1982.

3. Key Considerations

- 3.1 Each application will be determined on its own merits. However, applications may only be refused on certain defined mandatory or discretionary grounds. These are:

Mandatory grounds

The Council must refuse an application if: -

- the applicant is under 18 years of age; or
- the applicant is for the time being disqualified from holding a licence under Schedule 3 Paragraph 17 (3) of the LGMPA 1982 following revocation of a previous licence; or
- the person applying is not resident in the United Kingdom, or was not so resident during period of six months immediately preceding the date when the application was made; or
- where a body corporate is the applicant - it is not incorporated in the United Kingdom; or
- the applicant has been refused the grant or renewal of a licence for the same premises within a period of 12 months immediately preceding the date when the application was made, unless the refusal has been reversed on appeal.

Discretionary grounds

The Council may refuse an application for the grant or renewal of a licence if:-

- the applicant is unsuitable to hold the licence by reason of conviction of an offence or for any other reason;
- the business would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a licence if he made the application himself;
- the number of sex establishments or sex establishments of a particular type in the relevant locality at the time the application is made is equal to or exceeds the number which the Council consider is appropriate for that locality;
- “the grant or renewal of the licence would be inappropriate, having regard
 - (i) to the character of the relevant locality; or
 - (ii) to the use to which any premises in the vicinity are put; or
 - (iii) to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.”

4. Other Options Considered

- 4.1 To ratify the previous application as applied for including the variation of operating hours.
- 4.2 To vary the application with modifications and/or additional conditions.
- 4.3 Refuse the variation.
 - If, having considered the variation the committee decides to refuse it, it must provide the applicant with the reasons for the decision in writing.

5. Reasons for the Recommendations

- 5.1 To ensure that the Council meets its obligations under the LGMPA 1982 as amended by the Policing & Crime Act 2009.

6. Consultation

- 6.1 Statutory 28 day consultation previously took place from 27th March 2026 until 23rd April 2026, with one representation being made by a member of the public which was later withdrawn. The variation in hours was clearly advertised by the applicant within public notices.
